

Test Of Air Pollution Planned By GC Council

State Announces Today
E. 20th St. Will Be
Reopened Tomorrow

An air pollution study to determine the cause and source of point discharges in the East Granite area and a move to reopen East 20th street will be the main features of Monday night's Granite City council meeting.

Equipment is to be borrowed from the state Department of Public Health to measure atmospheric concentrations of hydrogen sulfide, and a meeting is to be arranged with state highway officials at French Village on the reopening of 20th street. A highway official told the Press-Record he plans to inspect 20th street today to determine if it can be reopened within the next few days.

The city had asked the state health department for a comprehensive air pollution study in the East Granite area, where there was an extensive discoloration of white paint on houses and fences several weeks ago and again to a lesser degree Monday.

Letter From Whitmer
Alderman Samuel Whitmer, chairman of the Public Works committee, presented a letter from C. W. Klassen, chief sanitary engineer for the state, who said the state had neither the staff nor the equipment to conduct a study of the East Granite area.

BULLETIN
The state highway department announced shortly after 4 p.m. today that East 20th street will be reopened tomorrow morning. From Madison avenue to Edwardsville road and the new electric traffic signal at 20th and Edwardsville road will be turned on. Motorists are in construction stage and manholes provided above the concrete surface which is to be placed topped at a later date. The street, which carries U.S. Highway 67, has been widened to four lanes with a median strip.

equipment nor manpower for a complete air pollution study, but did have equipment which could measure the hydrogen sulfide content, known to be the basis for point discharges. Klassen said the equipment was in use in another city and would be available to Granite City on request elsewhere.

City Atty. William Beatty was instructed to request the equipment, and council members indicated the task of maintaining the machine on a daily basis would be assigned to the city inspector. The city is to buy a special tape, which Klassen said would cost less than \$10 a roll.

Steel Firm Survey
Alderman Casner Skubish, whose house paint was discolored, said he was interviewed by officials of Granite City Steel Co. who said the firm was hiring a firm of experts to study the condition. Skubish said the firm was told the air pollution study would take a year to complete, and that preliminary analysis indicated the air was not injurious to health.

The alderman also read excerpts from the painters and decorators manual and the paint manual of the U.S. Army, Corps of Engineers, which stated that hydrogen sulfide is known to discolor paint and to point. The source of the gas, the manual points out, can be from industrial processes, sewage, polluted streams or lakes and decaying vegetation.

Concern Over 21st St.

The reopening of 20th street was urged by Aldermen Joseph Cavar and Estlin Von Schmitt, who said residents were concerned the street would be closed throughout the winter. They added that the city should take steps to reopen the street.

Venice, Madison To Begin Survey On EMH Classes

Madison and Venice schools took a step toward organization of a special education program Tuesday night when the two boards held an executive session in Venice with Madison County Superintendent of Schools Wilbur R. L. Trimpe.

Having discussed the idea individually at their separate meetings, the two boards met Tuesday to jointly discuss a special education program through an agreement between the two districts.

John Bellef and Lester Salem, Madison and Venice board presidents, respectively, were co-chairmen of the joint session. Madison Superintendent Brown and Venice Superintendent Pier also were present, and Austin Lewis, attorney for both districts, was acting secretary.

Unanimous In Desire
Members of both boards were unanimous in their desire to provide special education facilities for handicapped children to the limit of the ability of the district, although the Venice board is not required to do so. The discussion centered around development of a program for emotionally handicapped (EMH) children as the primary objective of the two school districts. There would be classes for different age groups.

Not Enough For Other Types
It was pointed out that programs for other handicapped children would require joint participation by other school districts with Madison and Venice.

Those present expressed willingness to join with any other school district to provide special education services for handicapped children, but the Madison and Venice school districts would be unable to provide the services which would be topped at a later date.

Car, Bought Yesterday, Destroyed By Fire Today

A 1950 auto purchased for \$30 yesterday by Harry Kahn, 38, 1220 S. 1st, was destroyed by fire early today while parked in front of his home. The car was destroyed by fire early today while parked in front of his home. The car was destroyed by fire early today while parked in front of his home.

Kahn said he noticed the blaze at 1:30 a.m. when he was up to feed his infant child, and he called the fire department. The dispatcher in turn called Madison police and fire departments, but they were unable to save the vehicle. Cause of the blaze was not determined.

Area November Birthrate Of 83 Lowest In 8 Years

The "Quad-Cities" area birth rate dropped sharply during November, and the 83 new babies represented the lowest number of births in the area in over eight years, since April 1953.

Granite City Clerk A. L. Stevens, who compiles vital statistics each month for the entire area, also reported a decline in the birthrate last month when 25 babies were born. That number was the lowest since last March, when there were 22 deaths.

The year's decline was reflected in the year's statistics for the area, which at the end of October were nearly equal to those of 1960.

So far this year, 1206 births, 117 stillbirths, and 336 deaths have been recorded, as compared to 1225, 118 and 360 for the same period in 1960.

Last month's 83 births were 38 under the 121 registered in October, and the area's death rate for the two months was 25 in November and 32 in October.

A breakdown of the area's vital statistics, showing births, stillbirths and deaths in that order, follows:

January—131, 0 and 38; February—110, 4 and 32; March—107, 22, April—109, 1 and 34; May—87, 3 and 45; June—91, 1 and 36; July—116, 1 and 30; August—125, 2 and 30; September—127, 2 and 30; October—121, 1 and 32, and November—83, 1 and 25.

Petitions Given To Prospective Candidates

County Clerk Eulalia Holt announced Tuesday that petitions for county offices and for precinct committeemen are now available in her county office. She distributed a supply to incumbents and the purchase that day and mail the petitions to the Democratic and Republican precinct committeemen currently serving.

For county offices, a minimum of 344 signatures are required for a Democratic candidate, based on statutory provisions of not less than 1% of the largest vote received by a candidate in the general election.

The primary election April 10, 1962, will be held for the election of county officers and for precinct committeemen, and not more than 25 signatures for either party's candidate.

Miss Holt said there are 170 precincts in the county. The primary election April 10, 1962, will be held for the election of county officers and for precinct committeemen, and not more than 25 signatures for either party's candidate.

Miss Holt will follow the same procedure for determining a first and last place on the ballot that she has employed for the past several years.

Murdered Woman's Identity A Mystery

Musso Hoping Dental Chart Will Provide Key Clue In Case

"Identity is the key," Sheriff George Musso said this week as detailed investigative work continues into the murder of a young woman whose skeleton was found late Sunday afternoon in a small wooded area along Chouteau Slough road.

Awaited by county and state authorities are reports from the state's crime laboratory at Springfield where ballistics tests are being run on six .32 caliber slugs found embedded in the skull. A dental chart, which possibly identifying features from the skeleton and any clues which may be obtained from clothing, a 14-karat ring and an earring.

Also pending is a report from a coroner's pathologist, Dr. Vincent Perma of the St. Louis Municipal Laboratory, who examined the skeleton at the scene on Monday, before it was taken to the county jail and forwarded to the state crime lab.

Purse Found Yesterday
The latest discovery at the scene was a black handbag found in the same wooded patch about 150 feet from the spot where the skeleton was located. The purse was empty, and Deputy Sheriff Clyde Tisdell and Tony Pettillo noted a label had been cut out of it.

In reinspection of the area by deputies and State Police Detective H. E. Fitzgerald and William Mercuro, the officers also found a dozen small bones. The bones and purse were being forwarded to the crime lab. Authorities also are checking five missing women reports received from Illinois and Missouri this week.

Sheriff Musso said he has three theories under study—the woman was either the victim of a sex crime, known to frequent the out-of-the-way area, or a possibility that she might have been killed by two AWOL soldiers on a killing spree last June. Two of their slayings were in Madison County, near the 35, of Littlefield, near Peters Station, and Martin Drenovack, 58, operator of the Twin Oaks Station, and Martin Drenovack, 58, operator of the Twin Oaks Station, and Martin Drenovack, 58, operator of the Twin Oaks Station.

5 DAYS WITHOUT A QUAD-CITY TRAFFIC DEATH

The long delay in announcement of a decision on the clemency appeal by former state auditor Orville E. Hodge has given rise to speculation that Gov. Kerner will not reduce the 12-to-15-year term to an eight-year minimum to qualify Hodge for an immediate parole from Menard state prison.

A press conference scheduled for Tuesday was canceled by the governor, who is away from the capital, and it has been reset for tomorrow.

Gov. Kerner received the recommendation from the state parole and pardon board three weeks ago. He told newsmen at a press conference last week that he had read the 40-page report once and wanted to reveal it before announcing a decision.

"Mrs. Mary Doe" rather than "Mrs. John Doe" persons circulating petitions for a candidate must be of the same political party as the candidate. She also reminded candidates that Jan. 15 is the first day for filing petitions with the county clerk for county offices as well as for precinct committeemen, and the last day is Jan. 22.

Candidates wishing to withdraw their names may do so up to and including Jan. 27. Office hours for filing are 9 a.m. to 5 p.m. Monday through Friday.

Position On Ballot
Miss Holt will follow the same procedure for determining a first and last place on the ballot that she has employed for the past several years.

GC Aldermen Oppose Sunday Opening of Stores

Granite City council members went on record Monday night opposing Sunday operations of discount houses outside the city limits but in the vicinity of the Quad-Cities. State legislators and the county board of supervisors will be asked to take action.

Alderman Mrs. Gabrielle Betts called the Sunday openings of the stores a "new problem," and said she has been receiving complaints from persons interested in "upholding the Sabbath." She said the stores are a tradition established centuries ago as a day of rest.

She added that the newly-created problem might force business firms in Granite City to establish Sunday hours in order to survive.

"We should observe Sunday as it was intended and not have it become a business as usual day," she told the council.

Her motion, approved by a 13-1 vote, was to urge the legislators to tighten laws to prevent store operations on Sunday, and she later amended the motion to include a request to the county board.

The only opposition was voiced by Alderman Steve Barsch, who said he did work around his home and often found it needed items to complete a job. "My wife holds cards in two of those stores," he added.

Several aldermen expressed opinions the council's action would be of no concern to the legislature and county board.

No Decision Yet In Hodge Parole Appeal

(Special from Springfield)
The long delay in announcement of a decision on the clemency appeal by former state auditor Orville E. Hodge has given rise to speculation that Gov. Kerner will not reduce the 12-to-15-year term to an eight-year minimum to qualify Hodge for an immediate parole from Menard state prison.

30 New Picnic Tables Bought For Lee Park

The Venice park board last night approved the purchase of 30 picnic tables from the Milnor Manufacturing Co. of Venice at a cost of \$25 each.

The tables are to be placed in Lee Park and are to be ready for use by next spring. The board will purchase wooden seats and table tops to be attached to the tables.

The board passed an ordinance placing all salaried employees under the Illinois retirement fund system, with deductions to be made regularly from paychecks.

Prices are being sought from several nurseries on trees and shrubs which the board plans to purchase and set out in Lee park.

The purchase of a new dump truck was discussed, but no final action was taken. The board would like the truck it now owns as a trade-in.

Safety Council Outlines Safe Holiday Campaign

"Keep Christmas in Your Driving" will be the theme of the holiday safety campaign, posters and other materials will be distributed in an effort to promote safe driving during the holiday season. Council President Merrill Cox said.

The committee listed \$141,439 for the general fund and \$1,535,209 for special funds. Its general tax income estimate of \$452,800 was based on an 8% millage rate and the 5.6-cent rate of a decade ago, as limited by a state supreme court ruling.

Frehn said no basic services are being curtailed, due to the election proposal and the cushion. He attributed the cushion to stringent economy measures, which he said are continuing under the proposed budget. Board action on the budget is planned Dec. 20.

The current August-December budget, adopted to alter the fiscal year, is \$1,833,191, with an estimated \$102,000 deficit.

County Zoning Review Meeting Next Monday
A "preview" meeting on the proposed Madison county land use and zoning plan will be held Tuesday, Dec. 11, in the board room of the Madison county courthouse at Edwardsville road.

The unofficial meeting has been arranged by the Tri-Cities Chamber of Commerce for its members and other interested persons so that they may see the proposals for unincorporated areas of the county prior to the public hearings. Large maps will be available for inspection, and there will be an opportunity to look at the tentative zoning ordinance.

Alton W. May, chairman, Zoning and Subdivision Control Committee, County Board of Supervisors, will explain the county zoning program and answer questions.

Granite City Trust & Savings Bank President Ernest A. Karandjoff said this bank will "main- tain the maximum interest allowed under the Federal Reserve regulations to our customers."

Louis B. Reilly, executive vice-president of the First National Bank in Madison, said the board of directors has not made a decision on the new rates, as yet, "but the matter definitely is under consideration."

Police Predict 113 December Accidents

Holiday rushing was given top consideration by Granite City police in predicting 113 traffic accidents in the city this month. Already, the 3.6-per-day-average for this month has been exceeded.

The new prediction also is based on the possibility of inclement weather, snow and ice — and last year's total of 131 traffic mishaps in the 31-day holiday month. Patrolmen Raymond Ridge and William Condit, who compile accident records for the department, pointed out today the new prediction is 12% higher than the actual number of mishaps occurring last month and 25 above the November forecast.

\$2,946,000 County Budget; Tax Rate Election Planned
A tentative 1962 budget of \$2,946,639 for the Madison county government was announced today at a council meeting.

A \$48,608 deficit was listed, but Finance Chairman Leslie Frehn said there is a \$200,000 "cushion" and it is planned to seek voter approval for a 10-cent general fund tax rate next November.

The committee listed \$141,439 for the general fund and \$1,535,209 for special funds. Its general tax income estimate of \$452,800 was based on an 8% millage rate and the 5.6-cent rate of a decade ago, as limited by a state supreme court ruling.

The current August-December budget, adopted to alter the fiscal year, is \$1,833,191, with an estimated \$102,000 deficit.

Cox said the firm will be available soon for showing by church and school groups, civic organizations, clubs and others interested in promoting safety during the holiday season.

The following committee chairmen and members were appointed: Donald Watson, publicity chairman; W. G. Hoelcher, Charles DeFosse as members; Ray Willard, program chairman for the 1962 safety campaign, with Frank DeWitt, Harlan Dobry, Emmett Pavia and George Odum as members; and Dr. Harold M. Kaiser, program chairman for new projects, with John O. Pier, Al Dieder, Dale Blackwell and Walter Emde as members.

The present limit, which has been in effect for five years, is 3% on all deposits. The rates are applicable to all commercial banks which are members of the Federal Deposit Insurance Corp.

Harold F. Karandjoff, president of the American National bank, said his firm will notify customers by direct mail of the new rates. "We feel our customer is entitled to all the interest he can get," he said.

President Harold R. Fischer of the First Granite City National said his bank will "maintain the maximum interest allowed under the Federal Reserve regulations to our customers."

Tolar Again Levee Head; Bond Issue Is Defended

Method Cheaper, Board Says; Denies 'Secret' Meeting; Hoban Resigns

With the exception of Atty. John Hoban, all elective and appointive personnel connected with the East Side Levee & Sanitary District board of directors were renamed during a board meeting last night in East St. Louis. And, board members defended last week's action of voting a \$1,800,000 bond issue for 10 projects.

Lawrence E. Tolar of East St. Louis was re-elected board president by a 3-0 vote, after being nominated by Member Thomas "Skip" Hennessy, who said Tolar deserved a chance to put his policies into effect after control of the board had been tied up during seven months of litigation this year.

Dan Costello, who opposed the move by Tolar, Hennessy and John E. Moja to gain control of the board, was absent from last night's meeting. Diff has not attended a single meeting, special or otherwise, since Tolar was ruled the legally elected president several months ago. Costello has been present at one meeting since that time.

A. L. Kremer was renamed chairman of the district, expected to resign. Mrs. B. E. N. Day, chief clerk, Blanche Runyon deputy clerk and Gerald Kent, Granite City realtor, treasurer.

Retained as attorneys were John R. Sprague and John A. Beck Jr. Hoban will continue his duties for the board until Dec. 31, but did not disclose why he is stepping out. Hoban, a former St. Clair county state's attorney.

Lashes 'Unfavorable Publicity'
Following the elections, Hennessy lashed out at what he called "unfavorable publicity" given a recent special board meeting at which members voted a \$1,833,290 general obligation bond issue to finance 10 sewer and drainage projects in Madison and St. Clair counties.

None of the area press was informed in advance of the special meeting, but board members last night denied that the meeting was in any sense "secret," although Hennessy said he had contacted two representatives of a Collinsville drainage group who were reported to be "not happy" about the board members, attorneys and the board clerk who attended the afternoon session.

Tolar, upon being named the board's legal president following a ruling by East St. Louis Circuit Judge John M. McQuinn, had established the policy of holding all meetings in the evening for those who have the convenience of the public.

'Least Costly Method'

Hennessy and Tolar also defended last night the use of a fiscal agent to handle the sale of the bonds, Midland Securities, Inc., of Chicago, as the most efficient and least costly method of financing the 10 projects, some of which are termed an emergency nature.

"The proof will be in the pudding," added board member Moja. "We think we can save the district and the taxpayers money this way, and that this will be proved once the projects are completed."

Some of the projects to be included in the bond issue, including the replacement of the Ter-

GC Township Relief Down By 10 Cases

A drop in relief cases in Granite City township during November was reported today from the office of Supervisor Nelson Hagnum. And a further decline is expected this month as additional families are qualifying for assistance directly from the state.

During November there were 152 cases with 506 persons and costs of \$13,563, of which \$7504 was for medical care. Total relief costs for the fiscal year, which started March 1, now stand at \$7402, as compared to \$30,214 at the same period last year.

During November totals compare to October general assistance in 1961 cases with 553 persons and costs of \$13,580. In November 1960, the totals were 50 cases, 196 persons and costs of \$3469.

200 Attend American Steel 25-Year Club Banquet

The 18th annual meeting and banquet of the American Steel Foundries 25-Year Club was attended by 200 persons who honored 21 new members Tuesday evening at the Madison Memorial Recreation Center.

New officers were elected with L. P. Cook named president to succeed Robert C. Martin. Thomas R. Allen was elected vice-president, succeeding Alonzo C. Boker, and Mrs. Helen M. Gilligan was named secretary.

In addition to enrolling 21 new members, the club also elected 18 honorary members for 1961. They are Joseph E. Bourisaw, John Bracamonte, Trimble Brown, Isaac Brown, Carl E. Conary, Clarence J. DeGonia, H. J. Pechte, P. J. Grondon, Arthur Jenkins, Daniel D. Martin, S. O. McCracken, J. M. Miller, V. W. Staples, Clarence W. Valle, A. E. Wehlmann and Arthur White.

The new 25-Year Club members who received engraved watches from Works Manager A. P. Steinhauer were Matt Babich, Joseph Blenick, Percy Cato, Marion D. Compton, Avery Edwards, Marvin J. Garin, Alfred C. Guthrie, David Hunt, Hermann, L. F. Rousseau, Matt Babich, L. J. Vincent and M. J. Garin. Back row—A. C. Guthrie, F. H. Pittman, P. E. Rutledge, J. F. Zielinski, John Zikovich, Percy Cato, Emanuel Jones Jr. and W. L. Masby. Absent were Joseph Blenick, Avery Edwards, David Hunt, Paul Hutchings and J. S. Messers.

Record August City Sales Tax Revenue Here

City sales tax revenue for local city treasuries set an August record of \$22,141 in August 1961, the latest monthly report of the Illinois Revenue Department showed today.

The total based on August tax liability collected in September included \$17,780 for Granite City, \$3,487 for Madison and \$970 for Venice.

Figures for the first eight months of 1961 are \$129,090 for the city of Granite City, \$25,409 for Madison and \$7338 for Venice, an aggregate of \$161,894 for the Quad-Cities.

The \$22,141 August listing compares with \$21,685 in August 1960, \$20,887 in August 1959, \$18,391 in August 1958, \$18,644 in August 1957 and \$18,583 in August 1956.

The eight-month tally is third highest in history, being topped by the \$174,502 mark in 1960 and the \$183,672 tabulation in January-August 1959. Previous eight-month totals were \$141,025 in 1958, \$146,014 in 1957 and \$133,907 in 1956.

Auto, Truck Collide; Driver Fined \$110

William Braswell, 44, of 1208 Kirkpatrick Homes, pleaded guilty yesterday at 1:35 p.m. before Police Magistrate Gasparovic to charges of leaving the scene of an accident and reckless driving. He was fined a total of \$110, including costs, and agreed to work out his fine for 30 days starting today.

Police said that Braswell was driving a pickup truck east on Edwards street yesterday at 1:30 a.m. when he struck a parked car in the 2600 block and then drove away. The car belonged to Kathryn V. Gray, 40, of 2538 Edwards.

Cities derive a half-cent on each sales dollar. The funds are collected by the state and returned here after deduction of 4% for administrative expenses.

August totals for other municipalities included: Alton \$23,452, Belleville \$24,367, Brooklyn \$245, Cahokia \$4315, Chicago \$1,838,059, Collinsville \$9183, East Alton \$5124, East St. Louis \$41,727, Edwardsville \$7068, Glen Carbon \$132, Grafton \$415, Hartford \$476, Highland \$4394, National City \$650, Roxana \$801 and Wood River \$6837.

30 Attend B&PW Christmas Party

Dispensing with the regular meeting, the Quad-City Business and Professional Women's Club held the annual Christmas party and dinner last night at the YMCA with approximately 30 members attending.

The officers were in charge of arrangements and the dinner table and room were appointed in keeping with the season. Small evergreen trees decorated the table and at the individual places were small tree favors made by the president, Mrs. Verna Lenzy.

Games were enjoyed and gifts were exchanged.

The next regular meeting will be Jan. 17, with Mrs. Helen E. Blachoff, legislative chairman, in charge of the program.

District Meet In Madison, Band Parents Told

Plans for a district grade school band contest here were announced as Talmadge Fisk, president, presided at a monthly meeting of the Madison Grade School Band Parents club Monday evening in the gymnasium of the Madison Junior high school.

Various topics were discussed. A chile supper is to be held in February and various committees were appointed.

The annual party for boys and girls of the band is to be held Jan. 15. A short business meeting will be held prior to the party, and parents of the students are invited to attend the party.

A chocolate sale was discussed. Those having chocolate or collections are to contact Fisk or Mrs. Raymond Stawer.

The district grade band contest is to be held during March. This is the first time for the district contest to be held in Madison, and it will be conducted at Madison high school. The district band solo contest is to be held in Belleville March 31.

Seven new members were enrolled by the club. Band Director William Ledbetter spoke to the parents on brass and woodwind instruments. Several selections were played by a woodwind quartet. Robbie Roberts, Linda Hash, Carol Chapman and Cindy Cross; a sextet: Tom Williams, Leslie Sabo, Steve Genoff, Mike Douglas, Marianna Fisk and John Byrne; clarinet ensemble: Robert McBride, Donna Hamilton, Judy Henderson, Janice Dwyer, Joann Naaras, Kathy Champion, Tom Moslander, Susan Michels, Donna Simmons and Kathy Scott.

Refreshments were served by Mrs. Rash, Mrs. Fisk, Mrs. Vekle McBride and Mrs. Evelyn Holt.

Opti-Mrs. Meet
At Hastings' Home

A meeting of the Daybreak Opti-Mrs. Club was held Tuesday evening in the home of Mrs. Elsie Hastings, 2338 Cleveland blvd. Mrs. Esther Schwartz was co-hostess.

Mrs. Rebecca Slatte conducted the business session, the chief topic of which was the sale of Christmas tree ornaments to assist the Optimists club on their tree lot on Madison avenue.

Prizes were won by Mrs. Colleen Schmidt, Mrs. Charlene Voss and Mrs. Gladys Steinhilber, and plans were made to hold the first meeting of the new year on Jan. 3. The hostesses are to be Mrs. Elsie Rodell and Mrs. Carolyn Moske. Nine were present at Tuesday's meeting.

Party For Warl
Vets. Auxiliary

Approximately 100 persons, members of the Veterans of World War One and Auxiliary, their families and guests, attended the annual Christmas party Tuesday evening at the Veterans of Foreign Wars home.

A turkey dinner was served in a festive holiday setting of evergreens and a brightly lighted tree, and each one present had a gift for another. Games were enjoyed after the pot luck meal and awards were made.

An election of officers will be held at the next monthly meeting.

Elkettes Yule Party Attended By 85 Members

One of the loveliest of the season's Christmas parties was that of the Elkettes Tuesday evening at the club attended by approximately 85 members.

The group gathered for a cocktail hour at 6:30 and later a steak dinner was served at tables lighted with tall red Christmas candles, and decorated with evergreens and snowmen favors. A gayly decorated and brightly lighted Christmas tree stood at one end of the dining room and Santa Claus appeared with gifts for all.

Mrs. Helen Presley was chairman of the party, an annual event of the club, and assisting with arrangements were Mrs. Euphie Tarris, Mrs. Mary Lou Lybarger, Mrs. Sara Bell Jortia, Mrs. Ella Wade, Mrs. Bergfield and Mrs. Anna Mae Jenkins.

A short time was spent discussing business with Mrs. Wade, president, in charge, and plans were made for a "sweetheart" dance the club is sponsoring for the members, their husbands and friends on Saturday evening Feb. 10.

Garden Study Club Christmas Party At Droege Home

The home of Dr. and Mrs. E. H. Droege, 1350 Twenty-seventh street, was beautifully decorated for the Christmas party of the Garden Study Club Wednesday afternoon.

A large metallic tree with colored lights aloft before the fireplace and Christmas bouquets adorned the rooms. The trays from which the dessert course was served held cup cakes topped with miniature candy trees, red candles and sprigs of holly, and there were evergreens throughout the house.

Santa Claus, in the person of Dr. Droege, distributed the exchange gifts and Mrs. John Lehman, club president, welcomed the members and guests. The latter included Mrs. William Maack of Collinsville, Mrs. Herman Droege, Mrs. August Thies, Mrs. George Stearns and Mrs. J. R. Farney.

Mrs. E. F. Reiske, program chairman, led the group in carol singing with accompaniment by Mrs. Herman Droege, and sang two solos, "O Holy Night," and "O Sanctissima."

After the singing, Mrs. William Maack gave the story of the Nativity and discussed at length a letter from a nephew in Ceylon, India, describing conditions in that country as related to world conditions of today.

The Jan. 3 meeting of the club will be held at the Rose Bowl with Miss Luella Dettering as hostess.

Eta Chapter's Annual Party

The annual Christmas party of the Eta Alumnae Chapter of the Phi Tau Omega sorority took place last night in the "Cabooses" room of Union Station in St. Louis.

Dinner was served at a long table holding trains carrying Santa Claus and lighted lanterns. There also were displays of evergreens in which were lighted lanterns. Favors were carried in small gift-wrapped packages tied with red ribbon and also red and gold caboosees. There were miniature wreaths in which were placed small candles.

A gift exchange was held and the remainder of the evening was spent at games. Prizes were awarded to Mrs. Ruby Overbeck, Mrs. Irene Louie, Mrs. Verna Slay, Mrs. LaVerne LaRose, Mrs. Ann Little, Mrs. Melba Torpoff, Mrs. Mildred Jungles, Miss Irene Hayes, Mrs. Irene Cook, Mrs. Dorothy Johannek, Mrs. Margaret Holland and Mrs. Thelma Grisham.

Twenty-two were present, including four guests, Mrs. Starnes Crouch, Mrs. Henry Gabriel, Mrs. Perry Weston and Mrs. Clara Lauternich.

After the business and installation ceremony the group adjourned to the church sanctuary for the program which opened with a Christmas prayer, songs by Mrs. Isabel Schaefer, organist, and Mrs. Evelyn Nelson, soloist.

Devotions and prayer were by Mrs. Rice, and there was brief memorial service for Mrs. A. A. Rhine, a member who died during the past year. Also held was a recognition service by Mrs. David H. Thomas for the 11 new members enrolled. Sixty-two were present, including a guest, Mrs. Fannie Scheindel.

Get-Together Club Holds Yule Event

Another of the delightful early Christmas events was the party given Wednesday by Mrs. Clifton Halbert, 3046 Iowa street, for her club, the Get-Together.

The members gathered for a noon dinner and were seated at a table with Christmas decorations. Unusual favors made by the hostess were miniature pencil sharpeners containing small, live evergreen trees. Other reminders of the season adorned the rooms and the ladies spent the afternoon at games, the prizes going to Mrs. Walter Dohi, Mrs. Charles Knecht and Mrs. Sam Kelly. There also was an exchange of gifts.

Others present were Mesdames Harry Jackson, Conrad Moeller, Harold Kienle, Herbert Buente and the hostess. The next meeting will be with Mrs. Kelly at 2524 Center street.

Gift Exchange For Birthday Club

Mrs. Jennie Bloodworth, 2026 Clark avenue, entertained her birthday club at a Christmas party and pot luck luncheon Wednesday.

The room and tables were decorated in keeping with the holiday season, and favors were dainty Christmas handkerchiefs. There was a gift exchange.

Present were Mrs. Betty Parker, a guest, and the following members: Mesdames V. L. Morcor, Bill Sprangler, Corinne Rupp, Nadine McGriff, Evelyn Stark, Violet Adams, Anna Patton, Clara Vogler, Beulah Drum, Betty Strain and Miss Mabel Gaskill.

Sorority Holds 'Model' Meeting

A "model" meeting was held by Iota Phi Chapter of Beta Sigma Phi sorority last night in the home of Mrs. Jo Ann Kalert, 3213 Wayne avenue.

Mrs. Nancy Duckworth, president, who was in charge, dispensed with the opening and closing rituals and after roll call the Christmas project was discussed. A final report will be made at the next meeting.

Also discussed was the Christmas party to be held in the home of Mrs. Pat Waters and a meeting of the committee in charge of arrangements was held at the close of last night's meeting.

A ceremony and dinner is planned for Jan. 17 at a restaurant near Alton when new members are to be enrolled. Mrs. Marilyn Harris, rushing chairman, will be in charge.

After adjourning, the members and guests were entertained by Mrs. Jane Johnson, a local organist, and all took part in a "community sing."

Mrs. Kalert served a dessert course to the above and to Mesdames Joyce Warnhoff, Marty Herman, Shirley Hallbrook, Carole Allen, Roberta Miller, Carole Merz, Susan Andres, Misses Jane Davis, Pat Mega, chapter members, and three guests, Miss Sally Cooley, Mrs. Jackie Harshbarger and Mrs. Lois Mullen.

Public Fallout Shelter Survey Scheduled By CD

Work is expected soon on a survey of the state to locate possible buildings in downtown areas which could be utilized as public fallout shelters in the event of a nuclear attack, according to George W. Schumacher, local Civil Defense director. Illinois has been divided into seven districts to facilitate the survey, with seven architectural engineering firms to inspect the work. Although not yet under contract, the firms have been selected, Civil Defense officials say.

The firms will sub-contract some of the work at the local level. Individuals making the study have been trained in special Civil Defense schools.

The program will be used in conjunction with the home shelter program, as the shelters provided will likely be in downtown business areas where maximum use could be made of them by people away from their own homes, Schumacher said.

Local Civil Defense officials will assist inspection teams in securing permission to inspect buildings which are felt to be of value as shelters.

Shelters Stocked
Once the shelters are located and marked as such, they will be stocked with emergency supplies to accommodate 50 persons each. Local CD officials will then be responsible for their maintenance.

The shelter survey program was explained to heads of county and municipal governments and CD officials in a recent meeting at East St. Louis, with persons from 18 counties attending.

Speakers at the meeting were Col. Robert Ritz, training officer of the Illinois Civil Defense Agency, and Peter A. Machinis, chief engineer of the Chicago Army Engineer District.

Local officials attending were Schumacher, Assistant Director Victor H. Koenig; Mrs. Valerie Evident, deputy director; Earl Bloomquist, Granite City building inspector; and Harry Johnson, Madison Civil Defense director.

Finished Next Year
The shelter survey, to begin when final instructions are received from the Department of Defense, is expected to be completed by Dec. 31, 1962.

To date, \$93-million has been appropriated by Congress to finance the locating and marking of the shelter areas.

In each state, a District of the Army Corps of Engineers and the Navy Bureau of Yards and Docks will be responsible for the survey, contracting with the civilian engineering firms, supervising their work and processing survey data.

Working together in Illinois, the Civil Defense Agency and the Chicago Army Engineer District are receiving survey requirements from the North Central Army Engineer Division, located in Chicago, and are coordinating with the four regional CD offices in Battle Creek, Mich.

When a definite starting time for the survey has been set, it will be announced publicly, Schumacher said.

Pays \$200 Fine For Disorderly Conduct

Edward S. Meng II, 28, of 314 South High street, Belleville, was fined \$200 and \$5 court costs Monday evening by Belleville Police Magistrate William Iselhardt on a disorderly conduct charge filed after Belleville police conducted a raid Dec. 2 at a home at 312 South High which they alleged that Meng owns.

A sixth grade teacher at Lake grade school, Granite City, was one of four men arrested there and assessed \$205 after guilty pleas. Two other men and a woman were released after questioning. Police said the raid was made at the request of the parents of one of those fined, Robert Carney Jr., 18, Belleville, who complained that he frequently spent the night at the house.

Three of the group paid the full amount; Iselhardt suspended \$150 of the fine imposed on Carney, contingent on his future conduct.

Charged with a stop sign violation yesterday at 8:10 a.m. by Granite City police was William J. Moore, 22, of 2014 Frogs street, who posted his driver's license as bond.

Area's Rainfall Nearly Nine Inches Above Normal

The area's rainfall, with 2.38 inches in November, totals 43.34 inches for the year, or nearly nine inches above normal for 11 months.

Last month's precipitation, recorded daily by the U. S. Army Corps of Engineers with a gauge on the middle wall at the Chain of Rocks canal locks, included the season's first snow, set at a half inch (.20 inch) of precipitation on Nov. 19. The gauge was read at 8 a.m. each day.

November's 2.38 inches was slightly under the 2.62 inches recorded in October. The precipitation was recorded on 15 days with the heaviest a 1.50-inch rainfall on Nov. 3. Traces (less than a hundredth of an inch) were recorded on nine of the 15 days.

Other rain was as follows: .12 inch on Nov. 14, .06 on Nov. 16, the .20-inch on Nov. 19, .38 on Nov. 22 and .12 on Nov. 24. Traces were listed on Nov. 3, 12, 13, 15, 17, 20, 27 and 28.

A breakdown of the year's rainfall by months shows: January .87 inch; February, 2.74; March, 4.96; April, 2.87; May, 9.31; June, 3.73; July, 7.64; August 2.57; September, 3.65; October, 2.62, and November, 2.38.

'Claim Night'—GC Council Pays, Rejects And Defers

Four claims against the city totaling \$1987 were discussed at length on an individual basis Monday night by Granite City council members.

Action was deferred on a \$1400 claim by Melvin Pashua for damage to a tractor-bulldozer at the city dump. Payment of \$50 for tree damage to a home on Edwards street was voted down. Approval was given payment of \$500 to cover costs of washer and drier repairs and replacement of items damaged in a sewer backup into a basement on Ash avenue, and a request for \$37 to cover the costs of damage to a St. Louisian's auto involved in an accident with a street department truck was rejected.

Pashua's claim, originally filed with the city last summer, had been approved by the council but was held up by the Finance Committee.

Alderman Paul Rutledge, chairman of the committee, explained Monday night that Pashua had met with the group to urge payment, but the Finance Committee was not in favor of it since drivers of city vehicles had told them the trucks had not been pulled through the dump road by the tractor. Six drivers were in the audience Monday night and informed the council the pushing had been done by larger tractors being used on state road project, but not by Pashua.

Several aldermen said they recalled the summer session when City Inspector Jack Fricker had agreed that Pashua's tractor had pulled the city trucks out of mud and ruts in the roadway. They questioned the committee's authority in holding up the payment.

Rutledge pointed out he had reported to the council the bill would not be paid until a study was made.

Pashua, who was not present Monday night, had told the committee a week earlier that repairs to his tractor-bulldozer had been more than \$3000, but

that he was billing the city only for cost of repairs to the trucks. He added that the machine also was damaged through pushing mud off the new road.

Alderman Estill Von Schmitt requested deferment of any action, pending further study.

Sewer Backup Damages Paid. A bill submitted to the council several weeks ago by Mrs. J. J. Harper, 3137 Ash avenue, listing \$1300 damage to equipment due to failure of two pumps in the city sewer system, was brought up by Alderman Casner Skushish, who said he had been waiting to hear a recommendation by the Finance Committee.

A member, Frank Vesel, said he would give a minority report, since the committee did not favor any payment, and he suggested a settlement of \$500 to cover costs for repairs to a washer, drier, cornet and possibly to replace items of clothing that were destroyed. He said the original value of the items was \$2000.

In the debate over payment of \$50 to Floyd Converse for damage to his home at 327½ Edwards street, Supl. of Streets William Warfield told council members he knew of the condition of the dead tree between the sidewalk and curb on city property, but had not been able to get to it before the Nov. 2 windstorm when the tree top blew out and fell on the house.

Total damage was \$309, of which all but \$50 was paid by an insurance firm.

Rutledge said the city attorney recommended not to pay the claim, saying the city had no interest in the matter, but aldermen pointed to the explanation by Warfield, and the recommendation to place it on file by the Finance Committee was voted down 7-to-6.

During further discussion, it was brought out the city could become liable, upon agreeing to pay the \$50, to also be billed by the insurance firm for \$250.

Alderman Edmund Bartosik added that trees brushing or falling on autos would result in claims against the city if the \$50 was paid.

Voting on a motion to pay the claim was 5-to-9.

The fourth claim, submitted by Mrs. Fay Doty, St. Louis, was based on an accident occurring Nov. 20 on Nameoki road near Jill avenue involving her auto and a city street department truck operated by Earl Worthen and was of the opinion the city was not responsible to pay the \$37 bill for repairs to the left door of the auto.

Supporting the claim, Alderman Estill Von Schmitt said he had heard persons in the area with basement pumps set also had damage, and Alderman Steve Basarich urged council members to give as much consideration to the claims of "little people" as they do to business and industry.

The vote was 12-to-2 in favor of the payment, with Rutledge and Wieser dissenting. The city attorney had recommended not paying the claim.

10 More Street Lights To Be Installed In GC

Installation of 10 additional street lights was approved Monday night by Granite City council members, who instructed a copy of the resolution be sent to Illinois Power Co. to carry out the work.

The lights include four in North Granite at 2800, 2900, 3000 and 3036 Nameoki drive; 2326 Grand avenue, 1823 Maple street, and 1700 block of State street, at Fehling road and Yale avenue, 2421 State street and on 22nd street between Delmar and Edison avenues.

Funeral Rites Held For Mrs. Margaret Fleishman

Private funeral services were held Monday afternoon at a St. Louis funeral home for Mrs. Margaret (Margaret) Fleishman, who died last Saturday at an Alton hospital after a long illness. Interment followed in Beth Ham-drosh Cemetery, Ladue, Mo.

Her husband is the founder of Fleishman's men's clothing store here.

Alderman Edmund Bartosik added that trees brushing or falling on autos would result in claims against the city if the \$50 was paid.

Voting on a motion to pay the claim was 5-to-9.

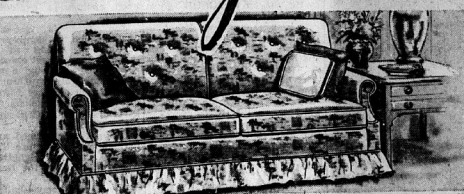

The fourth claim, submitted by Mrs. Fay Doty, St. Louis, was based on an accident occurring Nov. 20 on Nameoki road near Jill avenue involving her auto and a city street department truck operated by Earl Worthen and was of the opinion the city was not responsible to pay the \$37 bill for repairs to the left door of the auto.

Supporting the claim, Alderman Estill Von Schmitt said he had heard persons in the area with basement pumps set also had damage, and Alderman Steve Basarich urged council members to give as much consideration to the claims of "little people" as they do to business and industry.

The vote was 12-to-2 in favor of the payment, with Rutledge and Wieser dissenting. The city attorney had recommended not paying the claim.

Madison Recovers To Top East St. Louis, 64-55

After leading by as much as 18 points at the start of the second quarter, Madison's Trojans barely survived a frigid third period and went on to defeat the East St. Louis Flyers 64-55 Tuesday night at Madison.

Using a press in the first half that gave the Flyers the jitters, Coach Earl McClenahan's Trojans rolled off the "11 straight points in the opening period and hit the first bucket in the second quarter to take a commanding 27-9 lead. Madison led 37-23 at the intermission.

However, the Big Green looked like an entirely different team in the third stanza; its press was just as ineffective as it had been effective. The Flyers outscored their hosts 15-7 and cut the margin to 44-38 at the "nightmare" quarter ended.

Lead Cut To 44-40
East St. Louis' Rufus Jones connected on a field goal as the final period began to cut Madison's lead to four, 44-40. The Trojans followed with seven straight markers to open up a more comfortable 51-40 advantage.

The closest the Flyers could get to Madison again was 59-53 with two minutes remaining in the contest. The Trojans trailed only twice in the game, 42-44 and 44-47.

The win was the second in as many starts for Madison and snapped the Flyers' mark at 1-1. The Trojans will open defense of their Midwestern conference crown tomorrow when they host Civic Memorial high school of Bethalto. The preliminary contest will start at 5:30 with the varsity teams squaring off at 8:15.

Venarsky Out Six Weeks
The Trojans were playing without the services of Charles Venarsky. Madison's backliner injured his wrist in the Sparta game last Saturday night. X-rays revealed this week that the wrist is broken and he will be out for at least six weeks.

Charles Kosek moved in to take his place and played most of the game. He was spotted briefly by Terry Andrews, who also turned in a capable performance.

Hitting on 26 of 52 shots from the field for a terrific shooting mark, Madison's lead by Don Freeman, who scored 25 points before fouling out with 2:25 to go. He had set up most of the third quarter while in foul trouble.

East St. Louis, connecting on 21 of 44 field goal attempts, shot a highly respectable 47%. Jim Long led the Flyers with 22 markers and received valuable assistance from Glenn Earl Helm, who tallied 10 points. Coach Pick Dehner went with his starting five and brought out the entire contest.

The Flyers shot 61% from the free throw line as they needed on 13 of 21 attempts, while Madison made 12 out of the same number of tries for 57%.

Madison's jayvee squad, under the direction of Coach Ed Page, soundly defeated the Flyers' junior varsity 64-34 in the preliminary contest.

Varsity scoring: Madison—Freeman 25, Ed Petty 10, Bob Haynes 8, Kosek 7, Helm 10, 6. Mick Gravelle 5, Andrews 2, Calvin Jackson 2 and Cecil Bell 0. East St. Louis—Long 22, Heim 20, Jones 6, John Willis 5 and Paul Hanks 2.

Prather Scores 49:13 Win In Mat Opener

Opening its wrestling season in impressive style, the Panther junior high school team tumbled Wood River's freshman mat crew 49-3 at Wood River Tuesday afternoon in a shutout by one decision.

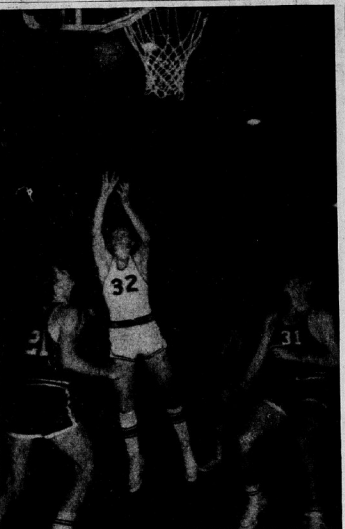

Scoring pins for Bob Zaleski's Chiefs were Bob Finley, Phil Minnen, Gerald McKenna, Gary McGauley, Burton Stark and Don Alfaro. The match met Coach of Granite City at Prather tomorrow afternoon at 4 o'clock. Tuesday's match results:

95 pounds—Glen Morgan (P) won by forfeit; 105—Bob Finley (P) pinned Myers, 3:21; 112—Richard Grizzard (P) decisioned Nelson, 5-2; 112—Phil Minner (P) pinned McCoy, 0-30; 127—Gerald McKenna (P) pinned Alberson, 2:28; 133—Gary McGauley (P) pinned Dabbs, 0:26; 138—Nick Petrillo (P) decisioned Kirksey, 0-40; 145—Edlan Allen (P) decisioned Hand, 4-22.

154—Burton Stark (P) pinned Taylor, 0:31; 161—Don Alfaro (P) pinned O'Neil, 3:23; 180—Roe (WR) decisioned Andy Vance, 5-2; heavyweight—Ed Keilback (P) won by forfeit.

UP AND IN goes close-in jumper by Granite City's Glen Hoffman (32) in the second quarter of the Warriors' 58-46 win over the Flyers. Hoffman's score put GCHS into lead briefly, but the Shells outscored their hosts 34-21 in the second half for a 58-46 win. Roxana players waiting for a rebound which did not develop in this instance are Jim Pile (21) and Steve Taulbee (31).

GC Matmen, Behind Early, Rebound To Flatten Ferguson Comets, 32-11

Coch Bill "Red" Schmitt's Granite City high school wrestling found themselves in an unfamiliar position—trailers Ferguson 3-9 after four matches—but recovered nicely in the heavier weight divisions Tuesday afternoon as they toppled the Comets of Ferguson, 32-11. It was the Warriors' 19-1, 62 debut.

"I can't single out any one boy as outstanding," said "Smitty" afterwards. "But from there on out the Redmen showed strength, as has been predicted earlier by Schmitt. They won seven of the eight remaining contests, and the eighth one resulted in a 1-1 draw."

Comet Coach Emmet Perry was a disappointed man afterwards. He admitted frankly that he had expected his club to win last year. The two schools battled 13-5 with the only points (two) in a practice meet, and only two lettersmen are gone.

Shorter Red Devils Battle To Finish Before Dropping 63-58 Decision To Wesclin

Wesclin's Warriors, who enjoyed a three-inch-per-man height advantage over their Venice high school opponents Tuesday night, did not have much advantage otherwise but managed to edge the Red Devils before a small gathering in Venice Tuesday night, 63-58.

Actually, it wasn't their height that beat us," said VHS Coach Bill O'Neil. "They shot 30-13 with the only points (three each) before the half."

Despite the height difference between the two clubs, the Red Devils gave a good account of themselves on the boards, getting only two fewer rebounds. But they shot "just" 40%, good enough to win a lot of games but not good enough against the white-hot visitors.

Trailing 13-18 after one quarter, Venice sliced one point off the difference in the second period and the Trenton school led 30-13.

Hofbauer Sparks Spurt
Wesclin Guard Larry Hofbauer took charge in the home stretch, canning four straight shots from 'way outside before he could recoup with a basket themselves.

With Hofbauer's assistance, the Warriors were on top by 16 midway through the period. Venice had cut the margin to 10 (47-37) by quarter's end, and got as close as three twice in the final stanza. "But we simply couldn't get the crucial basket," O'Neil added.

Don Devany helped make it a photo finish by hitting five field goals in the final three minutes. He ended the evening with 26 points, high for the game.

Shells Bombard Warriors, 58-46; Moore Sidelined With Knee Injury

Inexperience, inability to cope with a pressing defense and loss of its most promising big man cost Granite City dearly Tuesday night at the Warriors' dropped a 58-46 basketball decision to Roxana on the GCHS gym floor.

It was the second defeat in two games this season for Andy Sullivan's young basketballers, and both have come at the hands of teams which the Warriors were able to defeat at this same time last year.

"Green" has become a popular word among the GCHS coaching staff, and the sophomore-laden club showed tinges of the color Tuesday as it folded before the second-half Shell press after struggling to a 25-24 halftime lead.

Reinjuries Knee
"Things might have been different if the Warriors had not lost George Moore probably until after the first of the year—when the 6-7 junior aggravated a knee injury after entering the game briefly at the beginning of the second period."

Moore's height was badly missed under both boards, and Granite City's shooting percentage for the game (32%) was not good enough to overcome his absence.

Jim Wasem's free-wheeling outfit, which has depth problems of its own, fought to a 9-8 standoff in the first quarter and then pulled ahead by as much as four points midway through the second period before Elton Hall hit three quick buckets for the 25-22 lead.

Larry Meyer earned an easy two-point jump before the buzzer after taking a length-of-the-court pass to cut the Redmen's margin to one.

The Shells' second-half press, which resembled Collinsville's full-court swarming tactics, rattled the Warrior guards and gave Roxana possession on numerous occasions.

GC Cagers Hurt By Lack of Transfers

Andy Sullivan, coach at Granite City high school, gave a detailed "explanation" of his basketball team's troubles this season in a humorously droll talk to the Granite City Rotary Club Tuesday noon, and about the only thing he omitted was the old cliché "moral victory."

Another example of their bad luck compared to other schools, he pointed out, was in hiring assistant coaches. Belleville hired an assistant coach and when the family moved to town it included a 6 foot 5 inch high school boy. We had an assistant coach, and he has a three-year-old daughter."

Sullivan thought his team would make a good shooting team, considering its inexperience, but cautioned fans not to expect too much. He said, however, that the next two years should be better.

"And we just might upset a top team or two this year," he concluded. He was introduced by Dr. Harold Kaiser, school superintendent, who was program chairman for the day.

President Edward Meng reported that approximately \$3,500 is available for community service projects, \$2600 of which was raised in this year's Rotary Home Show and \$950 from the 1960 show. Selection of projects was deferred to give more time for study.

The Venice junior varsity ORCHID LOUNGE—PIZZAS

At the three-quarter mark, the Shells led 42-34, and steadily widened the gap thereafter.

In Foul Trouble
Foul trouble caught up with the Warriors as Roxana converted 12 of 15 attempts in the final eight minutes, and GCHS lost Charlie Papp and Jim Proffitt via the five-personals route.

Before he bowed out, Proffitt found his shooting eye and put in 10 of his 11 points in the fourth quarter. His last bucket at 2:15 narrowed the margin to 46-30. But the Shells switched from "stall" to "stall," and an easy foul resulted as GC thought just before the buzzer. Warriors committed 27 fouls in all.

"We were expecting a press, but not quite that type," Sullivan said of Roxana's defense after the game. "We prepared for just such a defense yesterday afternoon, but it was for the Collinsville game." The Warriors will tackle the defending state champions in Collinsville tomorrow night.

Granite City's Jayvees salvaged the preliminary game, 42-38, with Larry Lilley sinking 14 points and Larry Proffitt 10. The varsity scoring: GC—Lilley 14, Proffitt 10, Hoffman 2, George Moore 0, Larry Noblin 8, Charlie Papp 8, Vic Buehler 4, Bill Boyd 2, Glen Hoffman 2, George Moore 0, Larry Wortham 0; Roxana—Larry Meyer 16, Steve Taulbee 14, Fred Hoffman 11, Jim Pile 10, Larry Prater 8, Jerry Tovo 0, Larry Clark 0.

AN EASY TWO? Not this time, Venice's Don Devany (20), who appears ready to score an easy layup, has just been bumped off balance by Wesclin's Dave Breda (31). Devany scored on the resulting free throw and led Venice scorers in the game with 26 points, but the Red Devils were edged 61-58 by the visiting Warriors Tuesday night.

GC, Madison, Venice Beain Conference Play Friday Vashon of St. Louis Whips Lincoln of Venice 60-54

Despite 4th Quarter Rally

A combination of too much height and too much time helped St. Louis Vashon high school topple Lincoln of Venice 60-54 Monday night in St. Louis.

Coach Stan Lynne's Lincoln Rams battled their taller opponents for about three-and-a-half quarters before the host team was home safe. Lincoln led 10-9 after the first quarter but slipped four points behind at the intermission, 24-30.

Led by Tom Hall's 23 points and Bob Chavis' 21, the Rams pulled within one point after three quarters, 41-40. Midway in the final period, Lincoln led briefly, 48-47, but Vashon quickly countered with two free throws and then sealed the victory.

The loss evened Lincoln's record at 1-1. The Rams had defeated St. Paul of Highland in their home opener Friday, 82-52. Lincoln played a much taller Summer of St. Louis last night. Lynne's squad is idle over the weekend and then will play Kinloch Tuesday night at South Kinloch, Mo.

The varsity scoring: Lincoln—Hall 23, Chavis 21, Hatter 6, Johnny Marchbanks 2, Billie Hatt 2, Isaac Brown 0 and Edgar Buckles 0. Vashon—Bell 18, Law 13, Thompson 10, Burns 8, Rodgers 5, Goodwin 4, and Strothers 2.

Main's Last-Second Shot Enables Trinity To Edge St. Joseph

Carl Main's last second field goal gave Trinity Tabernacle 48-46 overtime win over St. Joseph in Monday night's park district Church League play. In the other contest, 1st Assembly of God outshot St. Bartholomew's squad, 72-67.

Trinity Tabernacle came from behind to edge St. Joseph. Trailing throughout most of the first half, Trinity scored 18 points in the third quarter to grab a mere 30-34 advantage. St. Joseph had led 12-11 after the first eight minutes of play and enjoyed a 22-18 halftime lead.

Just as quick as they had gotten hot in the third period, Trinity players got cold in the fourth quarter. Neither team could find the range with any effectiveness, and the score was tied 42-42 at the end of regulation time. Trinity's Bill Birtley was fouled as the horn sounded but missed the free throw and the game went into overtime.

Both teams traded field goals and two charity tosses in the overtime before Main hit his shot with one second left. Main led all scorers with 21 points. Jesse Ybarra was high for St. Joseph with 14.

Glen Sprankie's 23 points for St. Bartholomew in the other contest were not enough as John Drayer and Charles Miller of 1st Assembly countered with 18 and 18 points, respectively. Bud Gosnell added 12 points for the winners.

St. Bartholomew, which stayed close for two quarters, trailed 35-41 after three periods but pulled within four points with two minutes remaining in the game, 64-60. 1st Assembly, with the aid of fouls, widened the gap.

Chiefs Are Stopped At Cahokia, 39-35

A cold first half in which they scored just 11 points spelled defeat for Prather junior high school's ninth grade basketball team Monday night in Cahokia, where the club absorbed its fourth straight loss, 39-35.

The Chiefs trailed 11-20 at intermission, and could not catch up despite an improved second half effort. Bob Martinez scored 11 points for Prather, with Terry Valencia and Don Lupardus getting six each. Harrogate had 11 for the victorious Cahokia hosts.

Bob Miller's club plays in Belleville at 6:30 tonight.

BULLDOG PROSPECTS, Varsity and junior varsity candidates at North-East Missouri State Teachers College, Kirksville, include these players who prepped at Madison high school. At left is Eddie Brown, 6-4 junior and a two-year veteran under Bulldog Coach Boyd King. Brown played at MHS under Coach Francis Dant. At right is Don Hysko, an outstanding freshman guard prospect who prepped under Charles Mueller and Earl McClorchan and was a member of the MHS team which lost only five games — four of them to Collinsville — last season.

Central Grade School Splits With Highland
Central's eighth graders shot 44% in the second half, but a cold opening stanza was too much to overcome as they were defeated by host Highland in a Monday night basketball game, 50-39. Central was down 25-11 at halftime. Center Leonard Revelle scored 20 points for the losers, who are 1-2.

Central's seventh graders won their third straight, defeating Highland 37-15 in a preliminary game. Terry Moore put through 18 points for the winners, who had a 27-7 halftime advantage.

Jr. Bears Beat Sanford Team; Wortham Scores 23

Carl Wortham, former GCHS player, scored 23 points, and Jim Koelker, formerly of Venice high school, added 15, but Sanford-Brown Business College of St. Louis was outclassed on the WU court Monday night by Washington University's junior varsity squad, 72-57.

GCHS graduate Jim Simpson scored five points for the Junior Bears.

Bowling To Meet Loman's in SISPA

Belle's Panorma lanes will be the site of action for the Southern Illinois Bowling Proprietors' Association Classic league this Saturday at 7 p.m.

Out to protect a five-game lead over the rest of the pack will be the Fatima of Alton Bowl Haven. They are paired against last-place Bush Baran of East Alton Bowl. Loman's Bowlers Shop of East St. Louis will have the opposition for the local SISPA entry. Granite City's Bowland Schlitz five, Fairmont Bowl of Collinsville and Chicago Bowl, tied for second place, will hook up in an important match, and the evening's program will be rounded out when Shop City Bowl and Ripley Pins of O'Fallon Sports Bowl tangle.

Ripley's Gus Marsala, who rolled a 300 game over the river last week continues to lead individual pinbusters with a mark of 206 for 33 games. Alton Max Legate of Bowland Schlitz remains in second place with a 203 average for 39 games. League standings, with won-lost records and series averages: Fallstaff 27-15, 952; Chokola Bowl 22-20, 970; Fairmont Bowl 22-20, 967; Ripley Pins 21-21, 967; Shop City Bowl 20-22, 967; Bowland Schlitz 20-22, 963; Loman's 20-22, 961; Bush Baran 16-26, 952.

Braves 2-0 After Win At Edwardsville

Collinsville junior high school Braves built a sizeable first-half margin and then coasted to a 40-33 basketball victory Tuesday afternoon over host Edwardsville. John Tomlin's club pushed its record to 2-0 with the win. Four trouble-free regular fouled out and a protesting Edwardsville defense cut into a 23-9 halftime lead.

Joe Hauptman, one of those with five personals, collected 17 points before leaving the game. Chuck Mizerski had nine. Sues led the hosts with 11 markers. The Braves will tackle an all-ways tough Collinsville freshman team here at 4 p.m. today.

Free Throw Beats Venice Grade, 38-37

A free throw with eight seconds left broke a tie and enabled Bethalto grade school to defeat the Venice eighth graders in a basketball game Tuesday evening in Bethalto, 38-37. Bethalto led 22-14 at halftime. Howard Black, Mitchell Hyden and Terry Cooper each scored nine points for Venice. Venice seventh graders were 20-20 winners in a preliminary game, Greg Puent led with 11 points. Venice led 17-10 at halftime.

Both Venice teams will see action next Tuesday at home against Wood River.

Legion Ring Card Set; 2 Main Events

Eight to 10 three-round amateur boxing bouts are scheduled tomorrow night at the Venice-Madison American Legion home on Broadway in Venice, sponsored by the Legion post.

Two main events are set, and will feature four fighters who advanced to the Golden Gloves Midwest eliminations in Chicago last spring. Don Cobb, 135-pound open champion, will oppose 126-pound open champion Bill White in one encounter; Billy Barber, 118-pound open champion, and Caesar Foster, 112-pound open champion, will meet in the other. Two local Golden Gloves will box in preliminary bouts, the first of which is scheduled 8 p.m. Joe Ybarra will meet William Hubbard in a 118-pound novice bout, while Ed Swartz will box Roy Turner at the 126-pound novice level. Cobb will be hyped in order to make room for the main events, are:

Sid Wasserman vs. Joe Houston (135, novice); Larry Wood vs. Charles Robinson (128, novice); Sylvester Brown vs. John Smith (160, open); Charles Lombardo vs. William Clay (135, open); Frank Whitely vs. Mike Hopper (147, open); and Herb Jones vs. William Jones (135, open).

Attending physician will be Dr. F. B. Dionea. Tickets to the bouts are priced at \$1 in advance and \$1.25 at the gate.

Madison Spartans Drop 44 Straight, 44-43

Madison junior high school's eighth grade cagers dropped their fourth straight game Tuesday while playing host to East Alton, 44-43. Trailing by 12 points with only three minutes remaining, the Spartans cut the margin to one point as the game ended.

Tom Williams was high for the losers with 17 points, and John Brake and Steve Shipcoff added 11 and seven points. Madison never led. The Spartans' next game is Dec. 15 at Collinsville.

In the first game, Madison's seventh graders trounced East Alton's squad, 41-12. Don Norwick was high for the winners with 23 markers. Madison's seventh grade team now sports a 3-1 record.

Don Bravos of Bob Moske will travel across town to Prather JHS for a dual meeting Friday at 4 p.m.

Coolidge Cage Squads Beaten By Collinsville

Collinsville's seventh and eighth grade cage teams found easy pickings here Tuesday afternoon as they scored 44-31 and 54-22 decisions over cage counterparts from Coolidge Junior High school.

Rich Jones scored 13 points in a losing effort for the Coolidge seventh year team. Collinsville had a 29-14 halftime lead.

Featuring a zone press and the speed necessary to make it effective, Collinsville eighth graders had the same 15-second, halftime advantage in the second game, 28-13. Dave Dulgert led Coolidge scoring with six points.

The two local teams play in Edwardsville today at 4 p.m.

Young High Scorers

No Quorum, Zone Change Hearings To Be Reset

Two zoning change requests, scheduled for hearing yesterday before the City Planning Commission, will be carried over to a future date, it was learned from Chairman David Morgan, who said only six members of the 15-man board appeared—two short of a quorum.

Morgan said he plans to reset the hearing date before next Thursday evening's regular meeting of the Planning Commission, to be held at 7 p. m. in the city court room.

The zone requests were for three lots in the 1700 block of Pontoon road to be changed from R-2 residential to C-2 commercial, with Donald Spaulding listed as the owner; and for a 37½-acre tract on Pontoon road near the Alton & Southern Railroad crossing, outside the city limits, to be designated C-2 commercial. Its owner is listed as Doris Gilliam.

Morgan said he plans to confer with City Atty. William Beatty to determine if a committee can be assigned the task of conducting zone hearings and submitting reports to the commission for recommendation to the city council.

700 Attend Baptist Mobilization Program

"Mobilization" night of Madison County Baptist Association was attended by approximately 700 Monday evening at the Madison junior high school. Rev. J. D. McCarty of Marion, Ill., was the principal speaker on the program theme, "Lengthen . . . and Strengthen."

Brooks Holder, associational song leader, led in a preliminary "sing-a-long" and the 7:30 o'clock program opened with the welcome by Clay Parker, associate director. After congregational hymn singing and a choral reading by members of Suburban Baptist Church, the director, Mrs. Chester McManaway, and secretary, Mrs. Robert Myers, took the roll call of churches. "Forward in 1962 in Cooperative Activity," a feature presentation of future events, was led by Rev. Don Shockey of Maryville and preceding the address the associational choir composed of representatives from all the churches sang "Christ Has No Hands But Our Hands."

Street Worker, Fireman Upgraded

GC Council Rejects Salary For Building Inspector

Refusal to place the city building inspector on salary, promotion for a street department worker and upgrading a fireman from probationary to full status were among actions taken by Granite City council members Monday night on the recommendations of the Personnel Committee and Board of Fire and Police Commissioners.

Alderman Arthur Wizer, chairman of the Personnel Committee, submitted a report that four of the five members of his committee did not favor a salary for City Building Inspector Earl Bloomquist, who now is paid 50% of building permit fees collected by the city.

The issue has been debated several times before the council in recent months. Alderman Donald Partney, member of the

committee, said he favored the salary instead of a fee. In previous debates, council members have given added duties and would not be limited to building inspections. They added that his car allowance should be considered in declaring the salary status.

The proposed salary was \$7502 a year, as compared to fee earnings of \$6639 in 1960, \$8824 in 1959 and \$7073 in 1958.

New Street Foreman

Promotion of Raymond Butler, 2322 Adams street, from laborer to street department foreman was approved on recommendation of Supv. of Streets William Warfield and authorization of the Laborers Union. He fills the vacancy created by the death of Robert Wetzel. Butler's salary will be \$530 a month instead of the \$495 he previously received.

Alderman Partney pointed out the street superintendent has authority of personnel in his department, and it was agreed by the council that there is no need for such promotions to be submitted for approval in the future.

On a recommendation by the Fire and Police board, Harvey Smalle, 4241 Aubrey avenue, was placed on full fireman status after completing his six-month probationary period. His salary was increased from \$480 to \$492.50 a month.

Confusion On Motion
In making the recommendation to keep the city building inspector on a fee basis, the motion was that he not be placed on salary at this time, and confusion reigned on how to vote for and against it.

The roll call was started and when aldermen found they were voting contrary to their own wishes, the roll call was stopped, and the motion restated that the fee payments to the inspector remain the same. It carried 9-to-5. Aldermen Walter Nomm and Charles Meyer were absent.

Voting to retain the fee were Aldermen Paul Rutledge, Casmer Skulish, Samuel Whitmer, Steve Basarich, Mrs. Gabrielle Betine, Wizer, Samuel Shackelford, Edmund Bartosik and Ford Johnson. Against the motion were Aldermen Rufus LeMaster, Partney, Estill Von Semmitz, Frank Vesce and Joseph Cuvier.

"You'd Live Forever if You Had That Diamond."

Hurwitz Jewelry Co.'s diamond experts have 68 years total experience. From left to right: Irv Robbins, Russ Walker, mgr., and Al Karst.

Not everyone reacts with such feeling to a diamond's immortality but sooner or later, everyone reacts! IS THIS CHRISTMAS YOUR TIME? NONE BETTER!

THIS IS A LINE FROM A TRUE STORY THAT MADE AT LEAST ONE PERSON WE KNOW STOP AND CONSIDER. BUT READ IT ALL...

A middle-aged couple came into the store to buy a sterling cup for a new granddaughter. They were friendly people talking about their daughter and her new baby and obviously enjoying the choice of a gift. While they waited for the cup to be wrapped, the jeweler asked if they would like to see something beautiful and took from his pocket a two-carat diamond that had just been mounted. As they looked in admiration, he said to the woman, "Try it on." With a bit of shyness she put the ring on her finger, then glanced over her hands, marked with years of work. She said, "What would I do with a lovely thing like that? It somehow doesn't belong there."

The jeweler's reply was prompt. Soberly he said, "You'd live forever if you had that diamond." In the startled silence that followed, he went on, "When a woman has a diamond like this, she wears it and loves it, and when she is no longer here, her daughter wears it and in turn the daughter's daughter. And she herself is remembered always."

At this moment the gift-wrapped package arrived. The woman slowly removed the ring and gave it back to the jeweler and the couple left together. Two hours later the husband came back alone and with some emotion, purchased the diamond for his wife.

Yule Concert By Coolidge Choral Groups Monday

The girls' glee club and freshman mixed chorus of Coolidge Junior high school will present the school's annual vocal music Christmas concert at 7:30 p. m. Monday, Dec. 11, in the Coolidge gymnasium.

The public will be welcomed at the concert. It was announced this week by Principal Ralph E. Frohardt and Mrs. Pauline Frazer, vocal music director. The program has been adapted and arranged by George Malvern, and narration will be by Rosemary Calvin. Special roles will be taken by Susan Fogle and Raymond Voorhees.

Part I, entitled "Peace on Earth," will begin with "From Heaven High" by the freshmen and "Angels We Have Heard on High" by the girls' glee club. After the chorus sings, "The Snow Lay All Around," the glee club will present "O Little Town of Bethlehem" and "Jesu Bambino" and Sharon Koch, alto soloist, will sing "Mary's Slumber Song."

Selection of Carols

Part Two, "Carols From Around the World," will include English, Scottish and French carols. "On Christmas Day the Morning," "Babo Lummy" and "Noel Nouvel" by the glee club. With Ruth Maxton playing the finger cymbals, the freshmen chorus will present "Ring, Christmas Bells" and "The Little Drummer Boy."

A Huron Indian carol, "Jesus Anahonia," will be given by girls' ensemble, and the glee club will sing "Mary Had a Baby" and "A Christmas Alouha." Freshmen will present "Ring Those Christmas Bells," and the combined groups will end the evening with "A Christmas Greeting."

Girls' glee club members taking part will be Donna Buelckle, Barbara Bonvicino, Anna Callis, Mary Church, Laura Cider, Joanne Crews, Peggy Dyer, Linda Hardas, Paula Henderson, Carol Jakes, Mary Kula, Mary Lewis, Barbara Louis, Sandra Manning, Sheila McCabe, Carol Noth.

TRIO UNIT HOLDS CHRISTMAS PARTY

The Trio Unit of the Madison County Home Bureau held its December meeting and Christmas party Tuesday afternoon at the home of Mrs. Charles Gutz, Tulsa Route One.

A brief business meeting was conducted by the chairman, Mrs. Shirley Schullinger. The 1962 major lessons and the general program for 1962 were explained by Mrs. Harold Rapp, program chairman. Lessons were assigned and the dates the lessons will be given in Edwardsville were outlined by Mrs. Rapp.

An art craft day is planned for Dec. 14 at the home of Mrs. Clara Schullinger on Route One. This is to be a sack lunch event and it will begin in the morning.

A large display was prepared from craft articles made by the unit members. It included aprons, hats, terry cloth ponchos, head scarves, wire basket frames, wall pictures and children's animal toys. Patterns were taken by many of those who had missed craft days held in the past year.

After the business meeting, a social hour was held. Christmas gifts were exchanged, and the names of secret pals were revealed, with names for the coming year drawn. Group singing was enjoyed, with the hostess accompanying at the piano.

Members attending were Mrs. William Branning, Mrs. James Cochran, Mrs. Frank Hanfield, Mrs. Ida Kauskopf, Mrs. Lawrence Markham, Mrs. John Moser, Mrs. Charles Rueger, Mrs. Gerald Lux, Mrs. Arthur Roman, Mrs. Robert Miller, Mrs. Norman Soechting, Mrs. Edna Short and two guests, Mrs. Wilma Mae Lux and Mrs. Lena Earhart.

The next meeting Jan. 7 will be held in the home of Mrs. Ervin Schaefer.

EXECUTIVE BOARD OF NAMEOKI PTA MEETS

Eleven members of the Nameoki PTA executive board met Tuesday evening at the school for their regular meeting, one week before the PTA meeting to plan the program for Dec. 12.

Don Kopp, president, conducted the session. "Know Your Music" will be the title of Tuesday's program, which will be presented by the music department of the school.

Refreshments will be served by the third grade room mothers after the meeting in the cafeteria.

Ronald Coleman, gym teacher, reported on a skating party held Tuesday evening at the school. Nov. 29 in which about 200 students were taken to a local rink for their annual outing.

Betty Ecker, health chairman, reported that the school again this year has entered the throat culture program.

The saving stamp program was discussed and the board decided to discontinue it this year due to there being no volunteers to take charge of the program.

Members present included Mrs. Betty Belcher, Mrs. Rose Young, Mrs. Twyla McKinney, Mrs. Wilma McQuinn, Mrs. Mildred Schwendemann, Edward Lorton, Omar Nord, Fred Rehagen.

MARVILLE SCHOOL PTA BOARD MEETS

The executive board of the Marville PTA met at the school Tuesday evening with Mrs. Twyla Marcum, president, in charge. The Christmas program for the next PTA meeting Dec. 12 was discussed.

The program will be given by sixth grade students of the school. Santa Claus will pay a visit that evening.

A discussion was held on the purchase of a "de-bugger" for the school's use. This is to be the PTA's major project of the year.

Members of the board attending were Dwight Taylor, Owen Humphrey, Mrs. Roy Balaire, Mrs. George Knapp, Mrs. Robert Stine, Mrs. Paul Stine, Richard Barrett, Mrs. Virgil Bolton, Mrs. Red Martin, Mrs. Charles Abbeiter and Mrs. Gloria Law.

Pedestrian, Motorist Hurt In Accidents

W. C. Bandy, 82, of 2303 State street, was knocked down by an auto at 5:55 p.m. yesterday at N. Springfield and Madison avenues. Taken to St. Elizabeth Hospital, he was treated for a large contusion and abrasion to the back of his head and was admitted. His condition is listed as fair today.

Police said that Bandy was attempting to cross N. Springfield and when he stepped off the curb he was struck by an eastbound car driven by Herbert B. Robinson, 31, St. Louis. Gordon M. Reinhold, 39, of 1559 Joy avenue, complained of injury Tuesday at 11:35 p.m. after his northbound car was struck in the 1900 block of State street by another auto which drove away.

Reinhold told police he had stopped to wait for a tractor-trailer backing into the Tri-City Grocery Co. warehouse when the collision occurred.

Tracing the license number, police apprehended Stanley Kamaduk, 23, of 2616 West 26th street, about 1:20 a.m. Wednesday in the 1600 block of Spruce street and charged him with leaving the scene of an accident and reckless driving.

He pleaded guilty to both charges before Police Magistrate Gasparovic yesterday morning and was fined \$50 plus court costs for leaving the scene and gave a six-month jail sentence for reckless driving. The jail sentence was suspended and he was placed on 90 days probation.

Mrs. Marie Phillips, 53, Dies In Chicago

Mrs. Marie Phillips, 53, Chicago, died of a heart attack last night in a Chicago hospital. She was a former Venice resident, and a sister of Mrs. Margaret Rogers Scott and Raymond J. Smith, both of Granite City.

Other survivors are her husband, Robert Phillips and three sons, Ronald, Roger and Robert Phillips Jr., all of Chicago. Funeral arrangements are pending.

Auto Brakes Fail

Ally M. Wilson, 78, of 2441 Cleveland blvd., told police Tuesday at 2:15 p.m. that the brakes on his car did not hold properly and he was unable to avoid colliding with a southbound car on Delmar avenue driven by Anita Filcott, 51, of 2620 Edison avenue. The Wilson auto was headed west on 24th street. There were no injuries, police said.

Mendoza Instructor

YMCA-Sponsored Soccer Program For Boys To Begin On Saturday

Boys who plan to take part in the YMCA-sponsored soccer program, which begins here with an initial meeting at 2 p.m. Saturday in the "Y", will be working under a real "pro".

Ruben Mendoza of Granite City, the only player from this area ever to appear on an Olympic team, will offer pointers and instruction to boys between the ages of seven and 15 at least once a week this winter, as the YMCA attempts to arouse interest in the sport in this vicinity.

Mendoza has a regular berth at inside left with the Kutsis team of St. Louis, winner of the national amateur championship for the past six seasons.

He was a member of the U. S. Olympic soccer team which appeared in 1952 at Helsinki, Finland, and again in 1956 at Melbourne, Australia. One year later, he was a member of a State Department organized squad chosen to represent this country during a good will tour of Hawaii, Japan, Nationalist China, India and The Philippines.

He is a veteran of 14 years in Class "A" amateur soccer, and will supplement his own experiences with films in the program being offered at the YMCA.

"We hope that arrangements can be made for several St. Louis teams in the same age group to

RUBEN MENDOZA, former Olympic soccer player shown here in action with the St. Louis Kutsis cup championship team, who will be the instructor for a boys' soccer program which will begin Saturday afternoon at the local YMCA.

Murdered Woman

(Continued from Page 1)

service station, only a half-mile from the scene, was found on the skid to compare them with a gun found in the possession of George R. York, 35, of Brownsville, Ill., and James D. Latham, 19, of Mauriceville, Tex., who admitted the murders. They were admitted to be hanged Jan. 30 at Lansing, Kans. for the pistol slaying of a Kansas railroad man, but a stay of execution was granted yesterday, pending an appeal.

The sex crime angle also is being thoroughly investigated since articles of the woman's underclothing and blouse are missing. It has been determined she was shot at close range.

Clothing found at the scene included a white, half-slip, a white waist-length bralette with the front zipper still fastened, a red and green, checkered skirt and a pair of white shoes with spike-type high heels, about size four.

The ring, yellow gold with small diamond chips, was located at the scene, and an earring was found inside the skull. The ring, valued at \$20, is considered an heirloom, probably handed down from mother to daughter. It is well worn with no engravings inside other than "14-K" and is of the type worn by Mrs. Cook. Authorities noted the zircon earring is 10-karat gold is of the old style requiring the wearer to have her ears pierced.

Tall, blonde, 25-30. It has been determined the woman, about 25 to 30 years of age was murdered about six months ago. That she had "water blonde" hair and was tall. About 85% of the skeleton was recovered and it was assemblable in the area as soon as we get it. We've determined she wore bridgework.

The missing lower jaw was located late Monday afternoon when the thick underbrush was raised. Musso said dental work is extensive. Four front teeth are missing from the upper jaw and one from the front of the lower jaw.

In addition to submitting copies of the dental chart to dentists, Sheriff Musso has assigned deputies, working with state investigative officers, to continue combing the area where the skeleton was found by five youngsters out for a Sunday afternoon walk. The dental charts and photographs of the jewelry are expected to arrive later this week.

The small wooded tract is about 250 feet north of the Egyptian Radio Club, and the skeleton was found in a 20 square foot area about 300 feet off the roadway. It is believed dogs and other animals might have carried off the missing bones.

The murder is the second as yet unsolved in the local area of the county. Last Oct. 26, Billy G. Barnes, 33, of Washington Park, a railroad worker employed at a local switchtower, was found in his auto, shot seven times at close range with a .22 caliber weapon. The car was on a county road about a half-mile east of the 20th street and Edwardsville road intersection.

Assistant State's Atty. John Clatchoff told the Press-Record today that a preliminary ballistics from the state laboratory eliminates two of the three who came sent for testing and nothing conclusive has been noted for the third revolver. County and state authorities have questioned two suspects repeatedly, but no charges have been filed.

Jailed After Arrest John Ritchie, 25, Collinsville, was arrested by Madison police on charges of disorderly conduct and disobeying a police officer in the 3400 block of Fourth street Monday. He is being held in the county jail pending a hearing.

Mrs. Louise Wade, 91, Dies; Ill 3 Years

Mrs. Louise C. Wade, 91, of 2522 Madison avenue died at 2:35 p.m. yesterday at the Doctors' Convalescent Center, East St. Louis, where she had been hospitalized two days.

Mrs. Wade had been ill for three years, and was a patient at St. Elizabeth Hospital for two weeks before being taken to the convalescent home.

Born in Carle, Ill., she had been a Granite City resident since 1916. She resided in Madison and California before coming here. Her husband, John A. Wade, preceded her in death in 1926.

Mrs. Wade was a member of the First United Presbyterian Church, the American Legion Auxiliary and Granite Chapter 650 of the Order of Eastern Star, and was a charter member of Gabriel Shrine 78. White Shrine of Jerusalem.

Survivors are a son, E. J. Wade of Granite City, a county highway official; two brothers, Henry and George Plum, both of Jackson, Minn.; a sister, Mrs. Ida Ray of St. Paul, Minn.; and a grandson, James Wade of Granite City, now an American-Korean Foundation teacher at Yonsei University, Korea.

Funeral arrangements are given in the obituary column.

Book Infant Is Stillborn

Private funeral services will be held here Saturday for Susan Cook, daughter of Mr. and Mrs. Glen H. Cook of Alton, who was stillborn at 5:35 p.m. Tuesday at Alton Memorial Hospital.

Shoplifters Grab TV Set, Suits

Two men walked into the B. F. Goodrich store, 2366 Madison avenue, about 10:50 this morning, picked up a 19-inch portable TV set, valued at \$179, and ran out of the store and into a car that was waiting at the curb with a driver inside.

Fred Maher, manager, told the Press-Record the car was a 1951 model and green in color. He added that the license number was gotten and police told him that it belonged to a St. Louis man.

Joseph Michel, owner of Joe's Tailor shop, 1922 State street, told police last night at 6:30 that three persons walked into his shop and while he was talking to two of them, the third ran out with an article of clothing under his coat.

He added that while he was chasing the one man, the other two ran out with more clothing. Missing were four men's suits. Michel said that later while he was walking down an alley near his shop, a boy stopped him and said that he had seen a man throw something into a yard. Michel looked in the yard and found the four suits.

Burial will be in Sunset Hill Cemetery.

The parents are former Granite Cityans, and surviving grandparents are Mr. and Mrs. Wallace Cook, 4624 Lake drive. The mother is the former Miss Jessie May Campbell. Also surviving are two brothers, John and Gary Cook of Alton.

Lincoln Bows To Summer

Lincoln of Venice dropped its second straight basketball game last night in St. Louis as it bowed to a much taller Summer squad 64-52.

The loss left Coach Stan Lynch's Rams with a 1-2 overall mark. Their next game is Tuesday at South Kinloch, Mo.

Trailing 30-20 at the half, Lincoln was unable to overcome the height advantage. Lynch's tallest man is 6-2, and Summer started five men taller than that.

The individual scoring: Lincoln—Robert Chavis 19, Charles Hatter 13, Billie Hatter 7, Edgar Buckles 7 and Johnny Marchbanks 6. Summer—Parks 17, Wells 13, McNeal 12, Jones 10, Thomas 8, Bryant 2 and Glor 2.

Jaycees Name Leaders For Membership Drive

Ten team captains were named by the Granite City Jaycees last night to head a week-long membership drive, which is to begin with a kick-off luncheon in the downtown area Jan. 20.

Each member of the club was asked to make a list of prospective members to present to his team chairman, with membership candidates to be contacted by letter before the drive begins. The drive will end with a dinner meeting Jan. 24.

Mrs. George E. Eubanks Named To Council Post

Mrs. George E. Eubanks, 3914 Franklin avenue, was elected first vice-president of the new River Bluffs Girl Scout Council at an organizational meeting at Collinsville last night. Mrs. Jeanette Tawney of Madison was named treasurer.

The council is the directing body of the 35-neighborhood area under the jurisdiction of the new unit, which covers Madison, St. Clair, Monroe and Jersey counties and a part of Macoupin county. Mrs. John H. Marsh of Belleville was elected president.

Other local women elected at the meeting were Mrs. Harold Brown, District 4 chairman; Mrs. Charles Rodell and Mrs. Charles Delp, committee members-at-large; and Mrs. Dale Rice, nominating committee.

Falcons At 7-2 After Two Basketball Wins

Sacred Heart parochial school's eighth grade basketball team has added two victories to its sleek record over St. Elizabeth school Tuesday night at the Nameoed gym, 45-25. Frank Bautsch's club now stands 7-2 on the season and 5-1 in conference play.

Sacred Heart seventh graders were defeated 46-11 Tuesday as Steve Dunn poured in 25 points for St. Elizabeth. Last night, the seventh graders took a 31-20 decision from Trinity Lutheran, coming from a 13-20 halftime deficit. J. J. Christoff had 10 points for the Falcons.

George Papproth Dies On Way To Work Here

George H. Papproth, 41, Belleville, an A. O. Smith Corp. machinist, was found dead on the front seat of his car by sheriff's deputies at 11:15 p.m. yesterday, after apparently being stricken by a heart attack while on his way to work.

Authorities said the car was noticed about 200 feet off Ill. Route 111, a quarter-mile south of the intersection with State Aid Route 162 east of Granite City, its headlights burning and the motor running. Mr. Papproth was found slumped over in the seat.

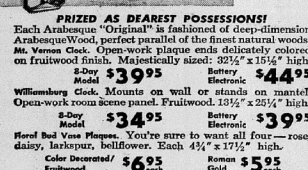

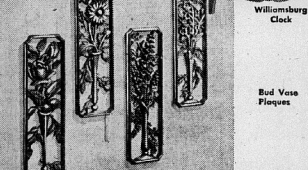

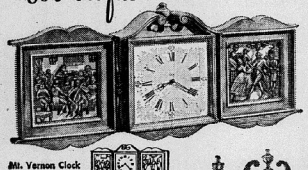

Deputy Coroner Henry Pieper, who pronounced him dead at the scene, said he apparently died of a heart attack while driving. The car left the road at an angle, and no collision occurred. An inquest is pending.

Mr. Papproth lived at 111 South Second street, Belleville. He is survived by his wife, Marie; his mother, Mrs. Ethel Papproth, Belleville; five sons, William, Norfolk, Va., and Robert, Dennis, David and John, all at home; two daughters, Theresa and Rita, both at home; two brothers, two sisters and one grandchild.

Funeral services are scheduled for 9 a.m. Monday at St. Peter's Cathedral, Belleville, with interment at Shiloh, Ill.

Mike Pritchard led the Falcons in scoring both evenings, getting 14 against St. Elizabeth coming from a 13-20 halftime deficit. J. J. Christoff had 10 points for the Falcons at Madison at 2 p.m. Sunday.

Even Toothpaste Firms Are Aware Of Public's Desire For Fluoride Dental Protection

Judging by current advertising, even toothpaste manufacturers have become convinced that the public wants—and needs—fluoride dental protection.

Toothpaste alone cannot assure dental health; evidence is ample that drinking water should be fluoridated so that 60% of future tooth decay can be prevented. And water fluoridation is so much cheaper, only a few cents, than toothpaste.

The paradox is that while most citizens want fluoridation, many public officials seem fearful of possible political reprisals by the small but vocal anti-fluoridation minority. Thus, the will of the majority is thwarted.

It will be recalled that virtually all Quad-City parents endorsed a fluoride program when it was started in the schools about 10 years ago, and this year Granite City—by a big margin in an advisory election—has instructed their aldermen to fluoridate the water supply. Madison and Venice already had given their approval, and the only towns in the East St. Louis and Interurban Water Company's territory which are still holding out on fluoridation are Granite City, Swansea and Belleville. St. Louis and many other communities have been enjoying fluoridation benefits for years, in contrast to the otherwise progressive Illinois Metropolitan Area.

Support of fluoridation, of course, need not be predicated solely on public opinion; the factual basis for urging its adoption is clear. This much is certain—each day that passes brings local people more needless pain and expense from decayed teeth. Action by the Granite City council would help change this.

When the doctor advises a rest, you might as well take a short one and, maybe, avoid a long one.

Nestle Company Fulfilling Pledge To Rebuild Plant

The Nestle Company's announcement this week that it will rebuild facilities destroyed by the explosion of August 9 gives substance to its pledge to restore workers already working under a new short-term. Roasting and processing of instant coffee are to be resumed during 1962.

Out of the ruins of the tragic blast and building collapse will come specially-designed production departments having even greater capacity than those they are replacing.

URGES THANKSGIVING NOT BE MIXED WITH CHRISTMAS

To the Editor:
How ridiculous we are... or maybe I should say how ridiculous our pilgrim fathers were... by allowing only five weeks between Thanksgiving and Christmas...

... And how ridiculous we must look... complaining because everyone else starts Christmas preparations so soon and then we try to beat them... Why, pray tell, must our Christmas decorations go up before Thanksgiving?

Thanksgiving, the one American tradition that stands on its own and should really be a day of giving thanks, has become the starting signal for the rat race of Christmas...

No, I'm not a "Scrooge"... I love Christmas... and all that it stands for... I'm not a hypocrite... I don't think we should take advantage of Christ's birthday by making a Roman holiday out of it.

"It's too late to do anything about it this year... but why don't we try and have 'two' reverent holidays next winter, Thanksgiving and Christmas... instead of the one long 'hollywood spectacular' we now indulge in?"

SAYS MISSOURI TAX 'BLEEDS' GOV OF \$300,000

To the Editor:
Everybody talks about taxes, but nobody does anything about them... nobody, that is, except our elected officials.

And too often, it seems, their first concern is not to lower taxes but, instead, to either keep them at the prevailing level or raise them.

Our city administration immediately became feverishly concerned about the recent state Supreme Court ruling that certain taxes, and perhaps cities, must go back to 1951 tax rates.

If the ruling applies to cities, Granite City taxpayers would enjoy a tax cut of \$421,566 per year.

But of course this would be temporary. That feverish concern indicates that our city administration's first concern in this instance, is either to keep

the 1950 tax rates or, if they drop, to get them back up as soon as possible.

If both the city administration and the taxpayers would get feverishly concerned enough to promote an area-wide tax savings move, it is just possible that we could get by on the 1951 tax rates.

That move would be to spearhead an organized East Side drive to stop the imposition of the St. Louis City Earnings Tax and the Missouri State Income Tax on Illinois residents who work across the river.

Considering just Granite City alone, I would venture to say that the Missouri State financial bleed would be \$300,000 to \$400,000 per year. This amounts to about 10% of the city's annual valuation for each Granite City taxpayer.

It is time to bite the hand that bleeds us!

ANOTHER COMPLAINT ON SMOKE CONDITIONS

To the Editor:
I finally read in the Nov. 27 edition that some one else in our city is interested in the smoke condition we have coming from the Granite City Steel Co. Plants. This condition is a very poor showing for a city that was named an All-America City not too many years ago. What progress has been made to solve this very big problem? It seems it is being over looked. Why have a smoke ordinance? Is this ordinance for everyone except Granite City Steel?

POLITICAL EXTREMES CAN DESTROY DEMOCRACY

To the Editor:
Let me try to state in a few lines that I am still alive and am following with great interest the various views of some of our readers in your public forum. I shall not participate in any of these utterances since for some time reminded me of younger years when the extreme right was arguing and then fighting it out in the streets of my former homeland. That was the time when that carpet chewing Aus-

Realistic Speed Limit Would Help Traffic Flow On State Street In Madison

State street in Madison has an added safety advantage in that its western edge parallels a railroad right-of-way and there are no four-way intersections north of Market street. For this reason, a posted speed limit of 30 or 35 miles an hour would seem proper and certainly more realistic.

The present limit of 25 miles an hour is not fully observed and does not appear justified in view of the lack of cross traffic, Madison avenue, with more pedestrians and busier activity, has a 30-mile limit conforming with state highway regulations.

We recommend an increase in the State street speed limit for consideration by Madison officials.

Sneak Attack On Pearl Harbor Stunned Nation 20 Years Ago Today

News revealed on a Sunday afternoon exactly 20 years ago today shocked the nation and profoundly changed the lives of both those who went off to war and those who remained behind.

That the impact of Pearl Harbor Day was immediately evident is borne out by the fact that most people can recall the day vividly; they know exactly what they were doing when they first learned of the sneak attack that brought America into world war II.

Those who seem to recall the nation's reaction to the attempt to conquer the world and has been followed by two generally peaceful decades, though world uneasiness is likely to continue indefinitely due to the Communist menace.

Those who lived through the events of 1941 will never forget that deceptively peaceful day, December 7. The memory may help steel them for whatever the future brings.

Population Getting Bigger In More Ways Than One

The population may be exploding numerically, but this is not the only increase, our informants in the clothing field report. People are getting bigger, and at a rapid rate.

The "average man" of the world war I era, five feet, seven inches tall and 134 pounds, has grown to five-foot and 158 and by the turn of the next century may reach six-foot and 176. What is not so good is that today's 35-inch waistline—28 inches only a few decades ago—will be 42 inches by 2000.

No waistline statistics are available for feminine figures but height and weight averages are estimated at five-foot and 114 for the year 1900, five-foot and 136 today and five-foot and 141 by 2000. Nutritional improvements are given the credit, just as they are for steadily improving athletic performances.

Implications are weighty, and not just for the garment industry. Roomier autos and furniture will be needed; the trend already has been noted in bed and mattress design. Higher ceilings and wider rooms and doors seem destined.

Terminology also may have to be revised, although movies and household product manufacturers already have made gigantic strides with their "colossal" and "giant size" descriptions. Consider the plight of college students, who will need to find a new title for their "big men on campus."

An astute politician can see an opportunity four years ahead of time.

Rites For Former Local Resident, Fred W. Ogle

Funeral services were held Tuesday at Steeleville, Mo., for Fred W. Ogle, 54, a former Granite City resident. Current residence followed in a Steeleville cemetery. He died at his home there Dec. 2 of cancer.

Mr. Ogle was employed as a crane operator at the Granite City Steel Co. for 21 years before moving to Steeleville in 1946.

Survivors include his wife, Pearl; five sons, Richard, Robert, Fred L., Raymond and James Ogle, all of Steeleville; two daughters, Mrs. Margaret Boll of Steeleville and Mrs. Shirley Levesey of Arnold, Mo.; a sister, Mrs. Sybil Harris of Granite City; and 16 grandchildren.

Mr. Ogle was born in law of Amos Jones, Tony Sutherland and Mrs. Viola Atkins, all of Granite City.

On yes, they all write and talk of Democracy, the right as well as the left. The extreme I mean, but when they get their way, democracy is gone. There is no difference in both extremes. The only difference there is, the one extreme is supported by financial interests at home and abroad, but both have as their goal "The destruction of Democracy."

To me, what I read in the papers today is only a repeat performance of history. Forty years ago I read and heard the same sophist performance as today. The world has not quite recovered from the result of one mad lun and again you hear the same voices, read the same literature.

Can't happen here? You bet it can and the same side will win and destroy, that did that time. But what is the difference one might ask? We will get the one or the other. Voice of experience? Yes kids; but you can't see the only ones weeping at the bier of Democracy.

Thank you, Joe Keuenhoff.

P.S. I shall be a very keen observer, how about you Corky? History will repeat all the signs are there indicating it.

Pensioned Vets, Widows Urged To Check Income

Veterans and widows in receipt of a non-service connected pension benefit from the U. S. Government are urged to re-check the amount of income they have received or expect to receive in 1961. Joseph D. Wetton, secretary of the Illinois Veterans Commission office at city hall advised today.

According to the commission, since a pension is payable based on the anticipated income of the individual for the year, a possible overpayment could be created should misjudgment occur. Fred Wasmuth, 69, also of Greenville, who died His

THE LAW

A PUBLIC SERVICE OF
MAJOR STATE BAR ASSOCIATION
IN COOPERATION WITH THIS NEWSPAPER

THE LAW PROTECTS REPUTATIONS AS WELL AS PROPERTY

Are you aware that your right to speak and write as you please are subject to some definite limitations?

"Defamation" is speaking or writing falsely or maliciously about another in a way that tends to injure his good reputation or hold him up to public ridicule or hatred. If defamation is spoken it is called "slander" and if written it is known as "libel".

It is defamatory, for instance, to state falsely or maliciously that a person has committed a serious crime ("thief", "perjurer", etc.), or to say things that tend to injure a person in his business or profession (that a "stock owner is a 'chuck'", or that a "doctor is a 'quack'", etc.), or to remark that a woman is unchaste.

The person defamed has a right to sue the speaker or writer for damages for injury to his reputation.

Libel is written defamation. Libel is considered a more serious offense than slander, because of the permanency and publicity of writings. Libel is not confined to words alone, for the courts have held that photographs may be defamatory. Some courts consider defamatory statements made over the radio.

It is not always a defense to an action for libel or slander that the statement in question is true. Illinois law requires also that the statement be made with bad motives and for hostile ends. Therefore, if the statement is made for the purpose of injuring the other's reputation or business, it would be a legal wrong even though the information is accurate. Thus the statement "John is a 'poison pen' invective, which has no legitimate purpose."

This column is written to inform and not to advise. No person should ever apply or rely upon any law without consulting his attorney. Even a slight difference in the facts may change the result under the law.

Your Governor Reports

by OTTO KERNER

The appointment of a Commissioner on Mental Retardation by President Kennedy underscores the seriousness of this nationwide problem.

At this moment in Illinois, more than 2000 mentally retarded persons are on waiting lists for admission to state institutions for care. The Department of Mental Health in Springfield will provide details on this second program.

Our long range plans also include providing a number of beds in each of the district mental health clinics for treatment and research for the mentally retarded. But our concern does not end here.

Since we feel that it is extremely desirable for children to remain in their home communities, I would remind you that there is a great need for local governmental units and private agencies to provide special classes in the public schools as well as training centers and day-care programs for retarded children.

Under legislation enacted this year, counties, townships and municipalities are authorized to levy taxes and to provide services for the mentally retarded who are not eligible under the School Code. It is my hope that communities will take advantage of this legislation to meet their needs.

One provides counseling services to parents of mentally retarded children living in their own homes and emergency care under certain conditions. Additional information on this project, or to give vent to fair and reasonable criticism of those who hold public office, or who come into the public light, is not slander to accuse a local official of inefficiency in office, or deny the abilities of members of the local baseball team.

BROWNIE INVESTURE
AT WILSON SCHOOL
An investiture ceremony was
held Tuesday for Brownie Troop
78 of the Wilson school PTA,
with Mrs. Barbara Miller and
Mrs. Jean Rawlings in charge.
Girls invested were Lisa Ann
Brenda Astorian, Barbara
Bagby, Cathi Carvitz, Patty
Gardner, Denise Hanerink,
Rebecca Hatley, Debbie (Leland),
Joni Kay Miller, Brenda Raw-
lings and Brenda York.

Mothers present were Mrs.
York, Mrs. Carvitz, Mrs. Bagby,
Mrs. Astorian, Mrs. Gardner,
Mrs. Anderson and Mrs. Han-
erink. Mrs. Denise Schmitz,
neighborhood consultant, was a
special guest.

Den Two of Cub Pack 122 of
Wilson school met Monday with
Mrs. Juanita Smith, 2829 Edge-
wood avenue, with Mrs. June
Weaver assisting. The meeting
was opened with the pledge. A
Christmas project was started,
songs were practiced and a
game was played.

Mrs. James Cato served re-
freshments to Jessie Burnett,
Tommy Smith, Mark Bosley,
Bruce Cato, Billy Turner and a
new cub scout, Terry Howard,
and Den Chief Ricky Smith. The
meeting closed with the cub
promise.

Den Four of Cub Pack 122
met Tuesday at the home of
Mrs. Norma Burke on Willow
avenue, with Mrs. Carolyn Men-
endez assisting. Christmas trees
were made out of pine cones
after the meeting was opened
with the pledge. Refreshments
were served to Virgil Burke,
Art Menendez, Timothy Ther-
rien, Douglas Toombs, Steve
Eenson and a new cub, Randy
Howard, and Den Chief Terry
Henson.

Brownie Troop 182 of the

RECOGNITION DINNER
A recognition dinner was
held Monday for Explorer Post
122 of the Wilson school PTA at
St. John Lutheran Church.

Guest speakers were District
Executive Dan Brown and Coun-
cil Executive Eugene Coe. The
two scout officials spoke on ex-
ploring.

The advisor, Fred Meltrum,
presented merit badges and
Lewis and Clark patches to
Frank Rodgers, Larry Weaver,
Leo Kalpis Jr., Bob Mink, Terry
Strain, Raymond Greene and
Kofah, Jim Caffrey and Bill
Smith.

PLAN SCHOOL PARTY
A room mothers' meeting was
held Monday at Wilson school,
with Mrs. Barbara Miller in
charge. Plans were made for the
annual Christmas party for the
school children.

The room mothers are to pro-
vide cupcakes and are to plan
games. The PTA will furnish ice
cream. Those wishing further in-
formation may contact Mrs.
Miller.

Den One of Cub Pack 122 of
the Wilson school PTA met
Monday with Mrs. Beverly Sin-
gleton, 2812 Edgewood avenue.
The meeting was opened with
the pledge, and continued. Mi-
chael Ahrens told a story to
complete an achievement.

Mrs. Virginia Ahrens served
refreshments to Michael Ahrens,
Lon Weaver, Jerry Weller, Steve
Harris, Keith Rogers and
Duke and Billy Duckworth. The
meeting closed with the cub
promise.

GC Parking Meter Income \$3259 For November

Granite City's parking meter income during November totaled \$3259 for an average of \$103.38 a day, according to a monthly report compiled this week by Comptroller John Docher and Treasurer Frank Sappington.

The month's income, includ-
ing \$3047 collected from meters
and \$212 paid in fines by viola-
tors, boosts the meter revenue
total for the year to \$39,841,
slightly under the \$39,855 re-
ported for the same 11-month
period last year.

The Associated Retailers, a
Civic Association began this
week its annual custom of pro-
viding parking meter patrolmen
with a supply of nickels to drop
into meters to give holiday
shoppers a second hour of park-
ing, boosts the meter revenue
total for the year to \$39,841,
slightly under the \$39,855 re-
ported for the same 11-month
period last year.

Turnout Of 1500 For Christmas Art Show

Nearly 1500 persons turned out for the annual Christmas art show at Granite City high school Monday night.

Twelve hundred crowded into the school auditorium, and the remainder had to be turned away, school officials reported. Many of those attending stood, and others of the standing-room-only group sat on steps in the auditorium.

The largest crowd in the 16-year history of the program viewed one of the largest displays of holiday artworks ever assembled here. Fifty table centerpieces were given away to those attending the free showing.

Eugene L. Alassi, school district art director, demonstrated Christmas package wrapping techniques, being assisted with the packages by two students dressed as Santa's elves, Miss Elaine Dineff, a senior art student, gave the commentary, and a group of art students appeared in formal gowns and had elaborate holiday coiffures for the occasion.

After Alassi reviewed interior and exterior decorations, members of the audience went to the auditorium stage to view at close hand the packages, door displays and other Christmas creations prepared by 800 art students of the high school and junior high schools in Granite City.

A minute of silence was observed by the gathering for prayer that the real meaning of Christmas will be recognized throughout the world.

Surviving are his wife, Alice; two sons, James C. Gravatt Jr. of Granite City and Pfc. Thomas E. Gravatt, with the Army in Erlangen, Germany; two daughters, Mrs. Robert G. (Juanita) Imboden of Arnold, Mo., and Mrs. Leslie (Shirley) Nash of Granite City; four sisters, Mrs. Hattie LaRue of Pasadena Hills, Mo., Mrs. Oia Snelson of St. Louis, Mrs. Ois (Della) Campbell of St. Clair, Mo., and Mrs. Lewis (Essie) Jamison of Salem, Mo.; a brother, Robert L. Gravatt of Silgo, Mo.; and seven grandchildren.

Funeral arrangements are given in the obituary column.

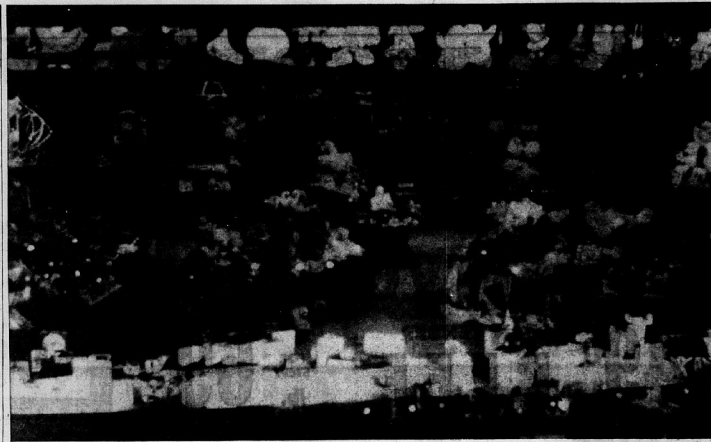

Folks are always sharer in their enemies than friendships.

James C. Gravatt Sr. Succumbs At Age 61

James C. Gravatt sr., 61, of 2825 Myrtle avenue died at 8:30 p.m. Tuesday at an Alton hospital from cerebral arteriosclerosis. He had been ill four months and at the hospital two weeks.

Mr. Gravatt was a roundhouse repairman at the Granite City Steel Co., where he had worked 31 years. He suffered an ankle fracture last June, and had been on disability leave until going back to work two weeks before entering the hospital.

He spent his early life in Crawford county, Mo., where he was born, and had been a Granite City resident 44 years.

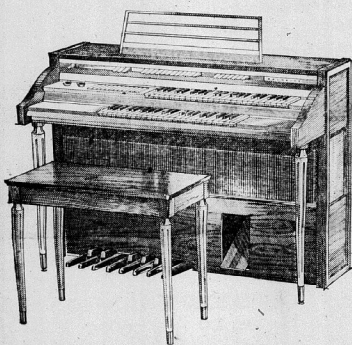

HOLIDAY DECORATING ideas such as these filled the stage and front of the Granite City high school auditorium Monday night at the 16th annual Christmas wrapping show

sponsored by the high school art department and directed by Eugene L. Alassi, supervisor of art education in the Granite City school system.

Magnavox, Model A-10, home organ. \$1,095 in mahogany, F.O.B. Urbana, Ill. Bench extra.

Magnavox GOLDEN TRIUMPH ORGAN

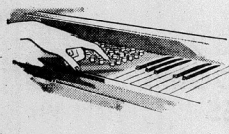

There is no more rewarding hobby than playing an organ, and in the Magnavox we feel we have the most coveted of the finest sounding, and the most beautiful instrument ever offered at anything near its price.

Its unique Magnasonic tone system puts the full tonal range of the symphony orchestra at your fingertips. It has 35% more voices and three times the dynamic range of other electronic organs. And the modern miracle of transistors insures lasting pleasure and service-free reliability.

Play it in your own home

Ingenuous Magnavox features, including a model with a chord section, make it easy for all members of the family to play—yet satisfying and challenging to the exacting demands of the professional.

Discover your own talent and learn how easy it is to play beautiful music. Magnavox Play-At-Home program gives you six lessons for only \$25.00, and a new organ of your choice for practice. Lesson fee applies to purchase price. Visit or call us today.

Only Magnavox leadership in stereophonic high fidelity and vast experience in sophisticated electronics could produce an organ with the amazing performance of the transistorized Golden Triumph. The Magnavox name is, in itself, assurance that this elegant instrument is truly the finest... and your best buy on any basis of comparison.

CASMER SKUBISH

Skubish Will Seek Representative Post

Casmer Skubish, Sixth Ward alderman with nine years on the Granite City council, this week announced he will be a Democratic candidate for 33rd District state representative in the April primary.

Skubish, who lives at 2701 Lincoln avenue and is employed at Granite City Steel Co., is 48 years old, married and the father of three children. He was a candidate for state senator four years ago, when Quad-Cityans gave him more support than for incumbent James O. Monroe.

In announcing his candidacy, Skubish said: "It is my aim to restore more confidence in government administration by acting in continued good faith so that we may elevate our moral standards to a higher level."

"I favor modern representation to meet modern problems, and I am familiar with rural and urban areas of the district. For too many years, the legislature has treated southern Illinois as a stepchild, and I plan to correct this situation."

Praise a man a little and he'll believe your judgment is tops.

Fire Chiefs Urge Yule Tree Home Precautions

Quad-City area fire chiefs today issued warnings of Christmas-time fire hazards, urging all homeowners to exercise extraordinary precautions in the selection, lighting and decoration of Yule trees.

They are calling attention to the fire prevention suggestions of the National Board of Fire Underwriters, outlining safeguards in the matter of setting up a Christmas tree, in the use of fire-proof decorations and lighting.

The underwriters recommend that a small tree be chosen instead of a large one, noting it can be just as beautiful and less hazardous.

Other rules stressed by the chiefs in their fire prevention suggestions are—

- "Keep the tree outside until you are ready to install it."
- "Set the tree in a place where it does not block a doorway. It is best to set it up in the coolest part of the room, away from radiators, heaters and fireplaces."
- "Use fire-proof decorations of glass or metal, avoiding cotton or paper items."
- "Set up electric trains away from the tree."

GC Bills, Salaries Total \$55,247; \$6332 For Sewers

Half-month salaries and bills totaling \$55,247, were approved Monday night by Granite City council members. The salary total was \$37,497, while bills amounted to \$17,750, including \$6332 for expenses incurred at the Nameoki sanitary sewer system break.

The maintenance of sewers disbursements were \$2146 for a centrifugal pump; \$1453 paid to construction firms for the Terrace lane pipes, and \$2783 paid to the Seebold firm for pulling well points and piling and backfill on Terrace lane.

City Engineer David J. Johnson was paid \$1879 of which \$416 was his monthly retainer for November and \$1463 was 65% of his fee for the motor fuel tax project for the resurfacing of State street from 14th to 18th street.

Breakfast Table For Court

An unusual purchase was included on the list — a five-piece breakfast set valued at \$26 for use in the city court suite. The set was bought from Granite City Furniture Exchange and will be set up in the new law library being established for the court. It will be the reference table, according to Clerk of the Court Mrs. Helen Homan.

Maintenance and fuel for city vehicles and equipment was \$1408; and also on the bill list were items of \$40 for the city hall Xmas tree, \$1229 paid to Illinois Power Co. for street lighting and \$3133 paid to Illinois Municipal Retirement Fund as 8.92% of the November payroll for employee retirement.

Fees and expense allowances were \$171 expenses for Mayor Davis, \$129 for the City Building Inspector Earl Bloomquist and \$30 monthly allowances for Aldermen Arthur Wiesner and Mrs. Gabrielle Betts.

ANNUAL RALLY OF PRESBYTERIAN MEN

The fall meeting and annual rally of the United Presbyterian Men of the Alton Presbytery was held at First United Presbyterian Church, 22nd street and Delmar avenue, Sunday.

Richard West of Granite City, president, presided. Approximately 175 men representing 13 churches attended.

A fellowship and rally from 5 to 5:30 p. m. was followed by a buffet dinner served by the United Presbyterian Women. Rev. Wayne Hoxie gave the invocation and group singing was led by Don Kilgill of Alton.

The host pastor, Rev. David Maxton, was in charge of devotions, and the election and installation of officers took place later. John A. Hubbard served as installing officer, and Howard E. Alton was named president. The only local man on the 1962 staff will include A. J. J. J., who will fill the office of secretary-treasurer.

The address of the evening was given by Paul L. Washington of Oklahoma City, Okla., former treasurer and immediate past president of the National Council of United Presbyterian Men.

Boiler Explosion Insurance For Venice School Buildings

Purchase of a half-million-dollar boiler explosion insurance policy was approved by the Venice board of education Monday night, covering each of the district's four buildings at an annual cost of \$838.

The insurance, supplied by the Fijan-Maeras Agency, Madison, covers all loss, damage and injury resulting from a boiler explosion, and will offer needed protection not afforded by fire insurance. Supt. John O. Pier told the board.

The \$500,000 was the maximum protection offered by the agency. Also offered were a \$100,000 policy at an annual cost of \$868, and a \$200,000 policy at a cost of \$850 yearly.

The insurance will pay a maximum of \$500,000 on each accident, and covers Lincoln high school, Lincoln elementary school, Venice high school and Venice elementary school. The latter two are adjoining units heated by a single boiler.

Pier noted that any boiler explosion is accompanied by fire would not be covered by the district's fire insurance.

Favors Coverage

Thomas Foley, president of the Venice board of education, spoke in favor of the insurance. He said it "seems foolish to be carrying a maximum fire insurance and none on boiler explosion damage when that is more likely than fire," he said.

After a short discussion, a motion to purchase the insurance immediately was made by Roy Mueck, board secretary. Approval was unanimous.

The board also authorized Pier to seek bids on two new out-

A Volkswagen, obviously.

It's easy to spot a VW. It's the one that keeps moving through the snow.

A VW will go up icy hills when other cars won't go at all. The engine is in back, where it gives the rear wheels much better traction.

And because the VW engine is cooled with air, not water, there's no need for anti-freeze. No chance of the block cracking. No boiling

over in summer! No draining. No flushing. No rust. You can park a VW outdoors in sub-zero weather and it's ready to roll as soon as you turn the key.

If there isn't any ice and snow around when you try a VW, don't think you can't judge the car's extraordinary abilities. Just come in and take a VW for a run. Through some sand or mud,

Quad-City Auto Crashes To Top 1600 In 1961

Over 1600 traffic accidents are likely to occur in the Quad-Cities this year, a monthly review of collision reports showed today. The tally after 11 months is 1464, and December traditionally has been a severe month.

Past December statistics show 192 a year ago, a one-month record of 193 in December 1959, 165 in 1958, 180 in 1957, 172 in 1956 and 183 in 1955.

While this year's total seems sure to top 1600 by Dec. 31, there is no possibility that the high of 1731 reached last year will be equalled. Other recent tabulations exceeding 1600 are a 1625 figure in 1959 and 1637 in 1957.

this far in 1961 has been 133, which was exceeded by the 140 counted by local police, sheriff deputies and state troopers during November. This year's high is 106, in January, and the low is 106, in August.

The 1464 total for 11 months is third highest in history. There were 1539 vehicle mishaps in January - November 1960 and 1477 in January-November 1957. November's 140 accidents compare with 153 in November 1960 and the November high of 171 two years ago.

Injuries from traffic crashes within local city limits and on surrounding highways also are proceeding at a fast but not record rate. There have been 706 through Nov. 30, and previous December records indicate a probability of 60 to 80 this month.

Injury Trend Upward
Yearly injury tolls have progressed steadily upward since 1956. After that year's 607, there were 617 in 1957, 622 in 1958, 734 in 1959 and 805 last year.

Eleven-month figures comparing with the present 706 are 741 last year, 656 two years ago, 539 three years ago, 561 four years ago and 555 five years ago.

Fifty-seven persons were hurt last month, an identical number to that of October and slightly under this year's monthly average of 64. High and low

are 81 in June and 47 in February.

Fatality Toll
The fatality toll stood at 24 through the end of November and already has risen higher, topping the 19 recorded in all of 1960, the 24 in 1959 and the 22 in 1958.

January-November periods exceeded 24 deaths in 1957 and 1956, with 27 each, and 1954, with 35. Those years ended with 28, 27 and 44, respectively.

The two fatalities in November marked the third month in 1961 that this was reached. Two previous months were February and March. In addition there were six in each of April and June, four in May and one each in August and September.

Last month's victims were Edward P. Haytalsky, 46, of 3148 Jil Avenue, killed Nov. 11 when his auto went through a construction barrier on Route 16 a quarter-mile east of Hardin, Ill., and struck a large crane parked on the roadway; and Mrs. Mary Kiphart, 76, of 1932 Russell street, who died Nov. 17 of injuries suffered Nov. 11 when the auto in which she was riding skidded on rain-dampened pavement and left a road near Sparta, Ill.

Christmas Mail Begins Arriving At Post Offices

Postmasters of the Quad-Cities announced today that the 1961 "Mail Early For Christmas" campaign is now in high gear, but they expressed concern because mailing of Christmas gift packages seems to be lagging and too many people do not realize the need for careful packaging and wrapping of their cherished Christmas gifts.

They stated, "It's hard to understand why people will be so careless about putting valuable Christmas gifts into the mails in flimsy boxes and loosely wrapped packages. Many of these poorly wrapped gifts simply cannot stand the necessary handling, and thus cause much delay and disappointment all around."

The Postmasters, Theodore Overbeck of Granite City, Harry R. Johnson of Madison and Charles Simmons of Venice, said further, "We cannot emphasize too strongly the importance of careful Christmas mailing procedures. For example, it's best to print the recipients full name, street address, city, zone number and state on each mailing label, making sure to include an extra label inside your gift packages."

All mail going long distances should be sent before Dec. 10. The postmasters added, "You can make it a merrier Christmas for everybody if you'll just follow these three simple rules: Wrap Christmas gifts securely; Address cards and gifts correctly; and Mail them now!"

Use a little common sense—the man who won't listen to reason soon becomes a crank.

Smart Santas give Electric Gifts

There's something about the gift of an electric appliance that makes playing Santa Claus a special pleasure. An electric gift is thoughtful. It saves steps, conserves time and energy. And gives Mrs. Santa Claus precious extra hours for her family. The appreciation doesn't end with Christmas morning. Electric gifts keep giving, every day of the year. See your electric appliance dealer but see him soon (before some other smart Santa gets the gift you've had your eye on).

Educational Programs Recommended By Trimpe

Three upcoming television shows in the series "What's Happening in Education in Illinois" have been added to the list of those recommended for viewing by county residents by Wilbur R. L. Trimpe, Madison county superintendent of schools.

"The New Mathematics" is to be presented by the Chester elementary schools on WSUTV-TV, Channel 2, Carbondale, at 6:30 p.m. Tuesday, Dec. 12.

On Dec. 16, KMOX-TV, Channel 4, St. Louis, will present "How Can Education Meet Its Responsibilities in the Decade Ahead?" on its regular program, "Challenge."

The other program, also on WSUTV-TV, is a special program of Christmas music by the Freeburg junior high school chorus, under the direction of Charles Laughlin, at 6:30 p.m. Tuesday, Dec. 19.

Special Dividend On GI Insurance Of \$10,000 Here

Special dividend checks totaling more than \$29,500,000 are being mailed to more than 400,000 Korean conflict veterans who hold "W"-type government insurance policies, John S. Gleason Jr., administrator of veterans' affairs, announced today.

Based on the local population, the checks here would amount to \$10,850. The mailing is expected to be completed early in December, the VA head said.

An additional 200,000 Korea veterans who have not yet converted or exchanged their Government "RS" insurance for the "W" policies also will become eligible for special checks if they convert or exchange before the time limit, Sept. 14, 1963.

World war I and world war II veterans are not included in the present dividend distribution. They hold either U. S. Government Life Insurance or National Service Life Insurance and have already received regular dividend payments this year, plus a special dividend payment.

Average dividend now being mailed to "W" policyholders will be about \$72, depending upon the amount of the policy and the length of time it has been in force. Each of the remaining "RS" holders will receive a letter in the next few weeks explaining advantages of changing.

Miss Kerch Attending Youth Fitness Meeting

Miss Barbara Kerch, supervisor of elementary school physical education and secondary school girls' health, physical education and safety in the Granite City schools, is one of about 100 interested persons participating in the Governor's Conference on Youth Fitness, which concludes a two-day session this afternoon at the Hotel St. Nicholas in Springfield.

Speakers at the conference include Gov. Kerner, addressing the delegates on "The Advantages of a Fit Citizenry to the State of Illinois"; State Supt. of Public Instruction George T. Wilkins; "The Public Schools Focus on Fitness in Illinois"; and Simon A. McNair, of the U. S. Dept. of Health, Education and Welfare, Washington, D. C., "What the National Fitness Effort is All About."

Delegates, who include people from the medical profession, educators, Parent-Teacher Association and government and youth service agencies, held a group session this morning. Following a noon luncheon, the groups were to submit reports at a final session.

Completes Recruit Training

James L. Steel, son of Mr. and Mrs. James H. Steel of 1919 77th street, Madison, completed the Naval Training Center recruit training recently at Great Lakes, Ill.

GC Council Oks Town, Relief Bills of \$6037

Granite City township disbursements totaling \$6037, including \$3339 for relief and \$2698 for town purposes, were approved Monday night by Granite City council members in their capacity as the town board of auditors.

A breakdown of the general assistance expenditures for relief follows: food, \$2539; medical care, \$1688; rent, \$360; fuel, \$122; utilities, \$98; clothing, \$92; relief office rent, \$75; half-month salaries for staff, \$337; postage, \$20; office supplies, \$4; office utilities, \$98.

Town fund disbursements were—\$612 half-month salaries for the supervisor, assessor and assessor office clerk, \$1 for supplies, \$75 for assessor office rent and \$9 for assessor office utilities.

Twilight Optimists Hear Railroad Representative

Eldon Flak, Nickel Plate railroad employee, addressed the Twilight Optimists Monday, representing the Anti-United Merger group, he told the 35 members taxes would be lost to local governmental agencies if the proposed merger goes through. He estimated that 228 Quad-Cities area men would lose their jobs.

Members discussed plans for Saturday night's dinner-dance in the 500 Room of the Big Top Bowl at 6:30 to install 12 new members into the club.

A plea was made to those present to sign up to work selling Christmas trees at the joint Optimists' lot north of the main fire station on Madison avenue.

380,000 Venice Bridge Crossings In Past Month

McKinley Bridge traffic continued at a high level during November except for a decline during Thanksgiving Week. A monthly report by Bridge Manager Henry McMillen showed today.

The 380,788 crossings represented the highest November total ever achieved but marked a slight drop from the previous month's 394,290. There was one less day in November.

Previous November tallies were 329,277 in 1960, 311,817 in 1959 and 302,894 in the last portion of November 1958. The city of Venice acquired the river span on Nov. 21 of that year.

A breakdown of the past month's traffic shows 90,237 vehicular crossings in the week of Nov. 1-7, 89,071 on Nov. 8-14, 88,666 on Nov. 15-21, 84,064 on Nov. 22-28 and 28,730 on the last two days, Nov. 29 and 30.

The 380,788 total averaged out at 12,692 a day, exceeded only by October's 12,718 and the record 12,731 average in August 1961.

City Oks Contract For Urban Renewal Study

A resolution authorizing Mayor Davis and City Clerk A. L. Stevens to sign a one-year contract with a planning firm to prepare an application for federal urban renewal funds for Granite City was approved unanimously Monday night by council members.

Work on neighborhood redevelopment studies will be started once the contract is signed by the firm of City Planning Associates of Milwaukee, Ind. The survey cost of \$1300 is to be paid from regular city funds of the plan committee.

Alfred D. D'Arcy, chairman of the plan committee, said a location for the firm's headquarters has not been designated, but that quarters may be found in a city building. The initial survey is to be completed in 120 days, and the firm is to keep the council informed of its activities.

Referred to the City Planning Commission was a request submitted by Rev. Harold Maynard of the Pentecostal Assembly Church to locate a three-room house trailer at the rear of the church building, East 24th and Bromley streets. Rev. Maynard said the trailer will provide quarters for evangelists visiting the church.

Reservist Haygood On Active Duty In Virginia

Army Reserve Pfc Donald R. Haygood, whose wife, Betty, lives at 2424 Benton street, is receiving intensive transportation training at Fort Eustis, Va. He is a member of the 231st Transportation Co., which recently was recalled to active duty and assigned to the 3rd Transportation Terminal Training Group at the fort.

Members of the 231st are receiving instruction in which operation and the raising, storage, handling and documentation of cargo. This activation training is designed to enable the unit to perform at peak efficiency in whatever emergency duties may be assigned.

UF Employee Plaques To Be Awarded Friday

Twenty-eight outstanding citizenship plaques for 75% or better participation in the Tri-Cities Area United Fund drive through either payroll deductions or continuous giving plans will be formally awarded to employee groups tomorrow at a 3 p.m. coffee break at the Granite City YMCA.

The latest tabulation of returns shows that \$278,847.66 or 83 1/2% of the \$334,463 goal has been pledged. The United Fund board of directors will meet Tuesday to discuss the progress of the extended campaign since they pledged individual help to reach the top.

Seven "Campaign Oscars" also will be presented at the special awards program to be conducted by John Solenberger, United Fund executive director. General Campaign Chairman Sidney L. Aubrey will make the presentation of the plaques and "Oscars."

The seven individual winners and representatives from the 28 firms have been invited to the ceremonies.

An additional plaque will be awarded to the members of the Good Fellowship Club, city of Madison, by Solenberger at the club's regular monthly meeting Monday night at Freeman's Hall in Madison.

Separate United Funds

Other clubs, which are actual united funds within their own framework, to receive plaques are: Dow Madison Employees' Welfare Fund, General Steel Employees' United Fund, Granite City Steel Employees' United Fund, Granite City Steel Employees' 30-Minute Club and A. O. Smith Employees' United Fund.

Employees' groups to be honored are: American National Bank, A & P Super Market, Associated Retailers & Civic Association, Cahokia Mound Boy Scout Council, Brockus Machine Co., city of Venice, Dempsey-Tegeler & Co., First Granite City National Bank, Glicks-Bellmore-Glicks-Madison, Granco Steel Products Co., Granite City Press-Record, Granite City Steel Employees Federal Credit Union, Madison School System, Metropolitan Life Insurance, Milnor Manufacturing Co., M & M Machine & Gear Shop, Morris Realty Co., Royal Crown Cola Bottling Co., G. H. Sternberg, Co., Tri-City Printing, Washington Theatre and YMCA.

The seven "Oscar" recipients, whose names were announced after the Nov. 9 meeting, are: George Frangoulis, Gilbert Hall, Oliver Jacobson, Barry Loman, Sam Meyer, Harry Rothman and Ernest E. Veid Jr.

They join 18 other individual winners who have already received their "Oscars." They are Oscar Albert, Dale Arnette, David Cunningham, Mrs. Fanny Epstein, Dr. Harold Kaiser, Leo Konzen, Roy Kranz, Earl Lee, Dr. John Lee, Stephen Maers, George Matthews, Al J. Mueller Jr., Theodore Overbeck, Edwin F. Reiske, E. G. Schmitt, Charles Simmons and Oswald Williams.

Last Man's Club Plans Annual Banquet Sunday

The 22nd annual memorial banquet of the local Last Man's club will be held Sunday at the Post 115 American Legion home, 2351 Madison avenue. Joseph Poelching is incoming president, replacing Joseph Coleman.

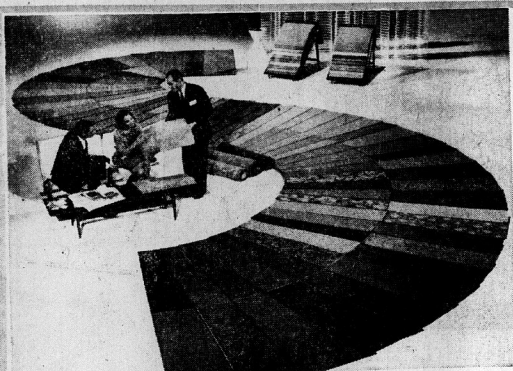

Formed in 1940 by a group of World War I veterans who belonged to Post 115, the organization was closed to membership the following year with 73 members.

Each year, on the weekend nearest Dec. 7, anniversary of the Japanese attack on Pearl Harbor, the club holds a banquet in honor of members who have died during the year. Deceased members' names are placed on a bottle of wine, which will be opened by the last remaining man.

Of the 73 original members, 33 remain active today. Twenty-nine are deceased, and 13 others have either moved away or dropped out of the organization.

Two-Car Collision

Two eastbound autos on Nid-ringhaus avenue collided at 3:15 p.m. Monday near State street. Police reported damage to the front of a car driven by Robert C. Thompson, 37, of 2904 Dale avenue, and to the rear of a vehicle operated by Billy J. Voss, 28, of 1358 Norwood drive. The Thompson auto was towed from the scene. No injuries were reported.

Legion Auxiliary Past Presidents Give Donations

The Past Presidents of the American Legion Auxiliary, Post 133, met Monday evening at the Legion hall with Mrs. Lucile Cooper, the newly-elected president, in charge.

Contributions were made to the Veterans Craft and to CARE. Plans were discussed for a Christmas party to be held Dec. 18 at 6:30 p.m. at the Rose Bowl.

The remainder of the evening was spent at games and awards were made to Mesdames Esther Harris, Ada Dishong, Georgia Kramer, Ethel Petr, Mary Batson, Hazel Odum, Rose Metro, Ella McKittick, Carmen Toth, Loretta Goeller and Dollie Brewer.

Mrs. Edna Whaling received the special award, the Christmas centerpiece which adorned the refreshment table.

The hostess was Mrs. Minnie Grob, and 20 were served. Holiday appointments were used and announcement was made of the next regular meeting to be held Jan. 8, in addition of Jan. 4, due to the holidays.

St. John Guild Holds Annual Christmas Party

A covered dish supper at 6:30 Monday evening preceded the Christmas party and meeting of the Evening Guild of St. John United Church of Christ on Napoleon road.

Seventy-seven were seated, including two guests, Mrs. Peggy Sykes and Mrs. Lulu Wofford. The tables were attractively appointed with large Christmas candles surrounded with evergreens and Christmas favors and serving on the committee in charge of arrangements were Mesdames Rose Marie Bauer, Lois Hollenbeck, Martha Bishoff, Betty Vessas, Lois Wetton and June Craig.

Devotions were led by Mrs. John Schnyder. The topic was "The Roads To Bethlehem" and there were Christmas songs in connection with the service. Mrs. Mae Gottfried read the Scripture lesson.

During the business session in charge of Mrs. Judy Stille, presiding, Christmas offerings were made to the building fund, Protestant Welfare and the Salvation Army. The birthday offering also went to the Salvation Army.

Due to the holidays, the next meeting date will be Jan. 9 and the new officers will be in charge at that time. Inexpensive gifts were exchanged at Monday's meeting and toys were collected for needy children.

Shower Honors Miss Melloy

Miss Sharon Melloy, who will be a January Bride, was guest of honor this week at a pre-wedding party and shower given by her sisters, Mrs. Thelma Hand, Miss Janet Melloy, Mrs. Viola Sweiger and Mrs. Louise Kovar at Kirkpatrick Homes Recreation hall. Approximately 50 guests were present.

A color scheme of aquamarine and green was carried out and the tables held appropriate bridal centerpieces.

Games were enjoyed after the gift packages were opened and prizes were won by Mrs. Cora Miller, Miss Peggy LeMaster, Mrs. Blanche Ritchie, Mrs. Nan Bernaick, Mrs. Steve Gargac, Miss Helen Kutosky and Mrs. Cheryl Humphreys.

Refreshments were served by the hostesses. Miss Melloy will be married to Walter Males of Chicago on Jan. 27 at Sacred Heart Catholic Church.

You've got nine Chevy II models to choose from. This is the new 100 Sport Coupe.

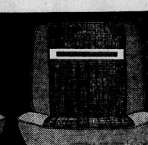

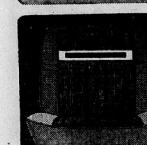

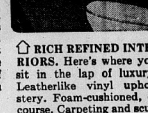

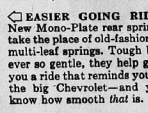

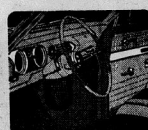

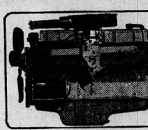

Luxury and low price were never blended so beautifully

Who but Chevrolet could've done it? Price, speed and everything nice! A car that's bustin' with room, zoom and richness. One that's deep in convenience and comfort. One that won't let you squander a thing but affection. Look over the beautiful new Chevy II Nova here, and light out in it at your dealer's.

NEW CHEVY II NOVA

A SIX WITH V8 SCAT.

You design a throaty Six (120 hp, strong) with special refinements like seven main bearings. You take your Six and team it with a car that's hundreds of pounds lighter than the big jobs—and, partner, you've got Go!

Body by Fisher

STRIKING NEW STYLING. Any way you look at it, the Chevy II Nova is a neat, nifty fashion plate. The lines are so crisp and clean we're tempted to call them "elegant" (except that sounds downright expensive and, as your dealer will happily show you, Chevy II is anything but!).

about this question:

"A 10 or 20 year old home might be worth only \$10,000 depreciated value, but would cost at least \$15,000 to replace. In event of a total loss, the owner would wind up with a \$5,000 mortgage when rebuilding. Does the new Homeowner Policy provide for insurance to full replacement value?"

Latham, York To Hang January 30 In Kansas

Convicted killers James D. Latham, 19, and George R. York, 18, have been formally sentenced to hang Jan. 30 for the murder of a Kansas railroad worker. The execution is set for 12:01 a.m. at the Kansas state prison, Lansing.

The two AWOL soldiers also have confessed the killing of six other persons, including the June 8 slayings in Madison county of Albert E. Reed of Litchfield and Marshall Reed of Troy and Marshall Drenovac of Mitchell.

Five motions by defense attorneys to set aside the death verdict and grant the pair a new trial were denied by District Judge Benedict Cruise. The defense had contended the sentence was too severe for the crime committed.

Gift Shop Opens Here

The B and R Gift Shop opened this week at 2720 Nameid road. It was announced today by Mrs. Leona Tryce, manager, and E. A. Greene, sales manager. Plaques, figurines, lamps, novelties and other gift ideas will be featured.

Building Slumps In GC; 38 Permits During November

New construction in Granite City slumped during November when only 38 permits with a value of \$109,706 were issued by Building Inspector Earl Bloomquist and City Clerk A. L. Stevens.

Of the 38 permits, four were for new dwellings valued at \$57,380, and the remainder were for home improvement projects and commercial construction.

Permits for new homes went to Leo Wolf Construction Co. for a \$20,000 brick veneer house with six rooms, bath and garage at 3234 Princeton avenue in Lueders Park Estates subdivision and to Jackie Vizer, \$8880 for a frame with four rooms and bath at 1645 Spruce street.

Four other permits issued last week included one for raising a two-story frame house and boosting the months total to 38. Joseph Niemczyk obtained a permit to rebuild a porch and install siding at 2447 Edson avenue at a cost of \$2600; Leo Wolf Co. for \$2000 general repairs to fire damage at a dwelling at 818 Twenty-fourth street and Daniel Nagy, \$190 to install a new roof at 2400 Benton street.

The raising permit went to Freddie Thomason to tear down a two-story house at 2222 Bryn avenue at a cost of \$1000.

License Suspension
Driving privileges for Harold W. Ballentine, 1601 Third street, Madison, were suspended by Secretary of State Charles E. Carpenter for reason of three traffic violations. It was announced from Springfield this week.

Railroad Merger Opposition Plans

Railroad employees opposing the proposed merger of major railroads are calling upon local organizations supporting their stand to present their views to the Interstate Commerce Commission in time for a Saturday hearing date in Washington.

Cong. Melvin Price is among those who have met here with railroad employee groups and pledged support to the opposition.

The proposed merger, it has been pointed out, will affect about 1100 area members of 23 railroad union members, and would result in abandonment of the Madison yards of the Nickel Plate Railroad where about 300 persons are employed and the annual payroll amounts to over \$1,250,000.

NOW THERE ARE FOUR CLASSES OF CARS

And only Ford offers all four! Each is represented by a separate and distinct line of cars, and one (the Fairlane) is in the new class not offered by any other manufacturer. Look below for the new car that exactly fits your needs.

COMPACT CLASS:

This class includes cars with 106 to 114-inch wheelbase. Most popular by far (a million happy owners!) is the Ford Falcon. Falcon is America's lowest-priced* 6-passenger car, set a 25-year record for Sixes or Eights in last spring's Mobilgas Economy Run, gave you a choice of 13 models, including the Futura and new Falcon Squire wagon.

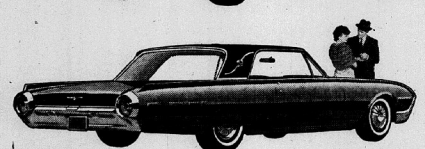

FAIRLANE CLASS:

The 1962 Ford Fairlane is the first member of a new class which combines the advantages of both compacts and big cars... get big car room, ride and performance... compact savings and maneuverability. Priced below many compacts, Fairlane even rivals some in gas economy. Has twice-a-year maintenance introduced by the Galaxie. Available with thrifty Fairlane Six or world's first economy V-8 (optional).

FULL-SIZE CLASS:

This class features big car comfort, performance and prestige. Value leader is the Ford Galaxie—which has every essential feature of far costlier fine cars. With the optional Thunderbird 390 V-8 engine, a Galaxie will outperform America's most expensive luxury cars. Requires servicing only twice a year, or every 6,000 miles.

LUXURY CLASS:

The top class—cars for people who want the very finest. First of the trim-size luxury cars, the 4-passenger Thunderbird is the most distinctive car in this class. Its styling set the trend for an entire generation of cars and now finds a new elegance in the Landau (left). And Thunderbird's performance is just this side of flight.

Name An Accident—GC Had It In November

Ever hear of one car hitting five parked cars? Or a truck striking a parked car? He had transport carrier? Or an auto running into a sewer cleaning machine? Or how about a board sliding out of the side of a truck knocking a portable traffic light into the path of an oncoming car?

All these unique accidents occurred in Granite City last month as 101 mishaps were reported by local police. There were 27 injuries, but no fatalities.

The total number of accidents is the second highest monthly total this year and the highest ever for the month of November. Only January, with 113 collisions, exceeds last month's tally and the previous November high was 97 in 1959.

Patrolman Raymond Ridge, Granite City police records clerk, could not explain the great number of accidents recorded for last month. He had predicted 88 collisions for the eleventh month. "At the midway point, figuring three accidents a day," he said.

Ridge pointed out the old formula that when accidents are down, the month is over. He tallied 176 tickets issued for moving violations during the month.

November Accident Totals For GC

Year Accidents Injuries Deaths

1961 - 101 27 0
1960 - 96 40 0
1959 - 97 21 0
1958 - 82 21 0
1957 - 67 23 2

1951 - 56 8 0

ing violations in November and that 131 of them were speeding arrests. The previous arrest high for this year was a distant 161 in September.

After a careful examination of the accident records, Ridge has a possible explanation for some of the numerous collisions. He pointed out that 31 of the mishaps occurred on wet pavement. Excluding packed ice and snow conditions for the months of January and February, last month's wet-pavement tally is nine more than the next high of 22 recorded in March.

November only had a trace of snow on one day.

Of the 101 accidents last month, 43 were of the two-car variety and 16 involved one moving car and a parked auto. Parked cars were reported struck by hit-and-run drivers eight times.

Five collisions occurred between a truck and a car, four auto-pedestrian accidents, were reported and four three-car crashes happened in the city. One pedestrian was struck by a hit-and-run driver, two auto-pedestrian accidents, were reported and four three-car crashes happened in the city.

C. of C. Plans To Expand Activities of Committees

Expanded activity by committees is planned to further community development and improvement, Paul Lichtenberg, president of the Tri-Cities Chamber of Commerce told the board of directors during the monthly dinner meeting Tuesday.

Lichtenberg, in naming committees chairman for the new year, said two new committees are being formed, with Harold Karandjeff named chairman of the Good Citizenship group, and John Reese to head the Southern Illinois University Liaison committee. Along with the plan of expansion of committee activities, the C. of C. board approved an expanded budget.

A report on Granite City's proposed application for federal urban renewal funds was given by David Morgan, chairman of the City Planning Commission, who was a guest.

To Seek Several Millions Morgan said the city council this week had entered into a contract with a city planning firm to prepare data for application for federal redevelopment funds. The city should be eligible to receive several million dollars.

First steps will be to conduct a survey of the city to determine where redevelopment is needed and to update the city's master plan.

Two new C. of C. members were enrolled — Jack Green, representing Laborers' Local 102, and Vasil Tarpoft, representing Tarpoft Packing Co.

Under committee reports, William C. Brockus of the industrial development, and Nicholas Brink, program.

Light Industry group, said the next meeting, set for Jan. 16, would feature "Business Ethics." Board members were advised the Master Sewer & Drainage recommendations by a citizen group would be made to the city council on Dec. 13. G. W. Hoelcher heads the committee for both the city and the C. of C.

The board also was advised that hearings on the proposed new zoning law are in progress and will be held in the area in the near future, and that the Industrial Development committee is progressing with its local industrial promotion survey.

President Lichtenberg will head the Advisory and Executive committees, and other chairmen named were: Ernest A. Karandjeff, aviation; Homer Huber and Donald W. Partney, civic improvement and development; Sam L. Meyer, congressional action; Dr. Harold M. Karandjeff, horse show; Lake park development; Jon Drexel, public relations; A. E. Michel, retail; G. W. Hoelcher, maffier and drainage; and state legislative; William C. Brockus, light industry; E. G. Schmitt, planning and zoning; A. W. Morgan, transportation and highways; C. E. Townsend, industrial development, and Nicholas Brink, program.

\$13,766 County Net Receipts On Sales In August

A \$13,766 payment has been certified to Madison county by the State covering August net receipts, collected in September, records of the Illinois Revenue Department showed today.

The amount, largest for any month this year, increases the 1961 total for the Madison county treasury to \$92,767, after eight months. Total since the half-count levy began here Oct. 1, 1959, is \$28,938.

Fifty-eight counties received the August district figures. The Madison county figure is the sixth largest. DuPage led with \$53,050 and Pope county received the smallest amount, \$276.

Driving Suspension Rescinded By State

Bobbie E. Anderson, 1959 Poplar street, was advised this week by Secretary of State Charles F. Carpenter that an error had been made in suspending his driving privileges.

The order for suspension was rescinded when it was discovered a duplicate traffic violation charge, filed at Ware, Ill., had been tallied.

"Your record does not presently show reports of conviction of three or more offenses within 12 months," the state advised Anderson.

Home Lighting Contest Entries Up From 1960

Entries in the 1961 "Creative Christmas Lighting Contest" sponsored by the Granite City Joycees are running ahead of last year, when 40 entries were received. Chairman John Knipping said yesterday.

Deadline for entry in the contest, which is restricted to outside holiday decorations for residential dwellings, is midnight Saturday, Dec. 16.

A total of \$200 in prize money will be given in the competition, with judging scheduled for Monday and Tuesday, Dec. 18-19. Prizes are \$75 for the winner, \$50 for second, \$25 for third, and five runner-up awards of \$10 each.

Knipping emphasized that expensive or elaborate decorations are not required. "Creativity is the main basis for judging," he said, "and one simple strand of lights could have just as much chance of winning a prize as a large display."

An entry blank appeared in Monday's issue of the Press-Record, and will be re-printed before the deadline for entry. En-

try blanks, plus helpful hints on Christmas lighting, are also available at the Illinois Power Co., which is co-sponsor of the contest.

The Madison Rotary club sponsors a similar contest in Madison, with five prizes of \$20 each to be awarded. No formal entry is required in the Madison contest, as judges will tour the city the week before Christmas and choose the five best decorated homes.

Collide At Intersection

A westbound car on 20th street, driven by Raymond L. Harrison, 59, of 2203 Nevada avenue, collided with an auto southbound on Delmar avenue Monday afternoon.

The other vehicle was operated by Kennebecan Boyd B. Mahon Jr. No injuries were reported, police said.

The thrifty person saves, not for the sake of saving, but for use when an emergency arises.

Bush Honored After 25 Years With Shell

R. K. Bush, 124 Big Four place, Mitchell, was honored recently by management of the Shell Oil Co. Wood River refinery upon completion of 25 years of service.

He is employed in the refinery's alkylation department. A native of Keytesville, Mo., Bush received his education there, in Eureka, Kan., and in Mitchell and Granite City.

Rites For Mrs. Branson, Local Minister's Mother

Funeral services were conducted at the First Baptist Church in Owensville, Mo., at 2 p.m. today for Mrs. Anna Branson, 75, of that city, mother of Rev. R. Frank Branson, pastor of the Grace Baptist Church here. Burial was in an Owensville cemetery.

Mrs. Branson died Tuesday at Missouri Baptist Hospital, St. Louis, of a heart ailment. She had been hospitalized since last Friday.

Survivors, in addition to the local pastor, include her husband, James; four other sons, three of whom are also Baptist ministers; and two daughters.

He is a member of the Mitchell Presbyterian Church, where he is an elder and former Sunday school superintendent. At the refinery, he is a member of the Shell Recreation association and the Shell club.

Bush is the father of four daughters, Mrs. Nina Gail Sparks of 169 Big Four place, and Mary L., Sandra Faye and Edythe E., all at home.
